Certain thrill rides have height minimums of 48” or 54” and/or weight restrictions. It would be helpful to inform your child of his/her height in inches and weight.

Please note that any children who misbehave on a field trip will be required to sit out of the activities. If behavior is repetitive or severe, you will be asked to pick up your child at the field trip location.

The Camp Supervisor and Recreation Supervisor will be attending the field trip.

Please note that there is no alternate activity on field trip days for those not attending. All travel to and from the field trip destinations is to be done as part of the group with our camp staff and California Wine Tours/Evans luxury busses.
