

**MARINWOOD FIRE COMMISSION
 AGENDA FOR FIRE COMMISSION MEETING
 TUESDAY JANUARY 5, 2016
 5:00 PM – MARINWOOD COMMUNITY CENTER CLASSROOM**

#	Time	Item	Commission Action
1	5:00 PM	Agenda	
2	5:05 PM	Election of Fire Commission Chair	Approve
3	5:15 PM	Public Comments on Non Agenda Items	Discuss
4	5:30 PM	Draft Minutes December 2015 Fire Commission Meeting	Review
5	5:35 PM	Activity Summary Report for December 2015	Review
6	5:45 PM	Response Report for December 2015	Review
7	6:00 PM	Fire Chief Report-Engine Update, Goals for 2016, Staffing	Review
8	6:15 PM	Succession Planning for implementation of Paramedic Positions as directed by the Board	Discuss
9	6:30 PM	Adjourn	Approve

NOTES TO COMMISSIONERS:

Please notify Fire Chief Tom Roach at 415.479.0122 (or troach@marinwood.org) by 5:00 PM the day before the meeting if you are unable to attend.

NEXT FIRE COMMISSION MEETING DATE TO BE DETERMINED

TO: MARINWOOD FIRE COMMISSION
FROM: THOMAS ROACH, FIRE CHIEF

December 1, 2015 Fire Commission Meeting Minutes

DRAFT

Commissioners:

Present: Jeff Naylor, Greg Stilson, Tom Elsbree, Jim Rey

Others in attendance:

Fire Chief Tom Roach, District Manager Eric Dreikosen, Board Member Bill Shea, Linda Barnello,
Captain Joel White, Engineer Cesar Correa, Tarey Read

1. Approval of Agenda-Call to order 730 pm. Commissioner Naylor asked if there were any additions or changes to the agenda. None.
 - M/S Elsbree/Rey to approve submitted agenda. All in favor.
2. Public Comment on Non agenda items.
 - Tarey Read thanked everyone for her support in the election and wished she could have been feeling better to run a more active campaign.
 - Linda Barnello asked if the Commission really needed to spend as much time as they do on reviewing the response report. Chief said he would include that as an agenda item for the January meeting.
3. Approval of October Minutes
 - M/S Rey/Elsbree to approve October minutes. All in favor.
4. November Activity Schedule and Response Report.
 - The November Activity Schedule was reviewed. Commissioner Naylor asked if there was any response from Cal Fire on the excess fire prevention money they had accumulated from their fire prevention fee. Chief mentioned there is an SRA Fire Prevention grant coming in January that will be funded from that excess. Chief also mentioned the fire prevention fee may be eliminated but that if it was some other revenue stream for Cal Fire would replace it.
 - The response report was reviewed. There was a question on what does fx mean. Captain White explained a fracture. There was a question on if a suicide call actually died. Again Captain White explained that suicide means it actually happened, attempted suicide means the person survived. There was a question on a smoke detector call. Chief and Captain White explained the department gives and installs smoke detectors to residents in need as well as replacing batteries. Captain White also explained in the course of regular responses to homes engine companies typically check to see if homes have detectors.
5. Chief Report
 - Chief gave an update on the fire engine status and explained that three personnel were going back to the KME plant in January for the final inspection.
 - Chief went over the list of goals he had for the department for 2016 and asked that if the Commission had additional goals for either the department or the Commission itself that it be discussed at the January meeting.
 - Chief reviewed the staffing of the department currently and moving forward into 2016.
 - The Fire Commission current members were reviewed as well as applications and possible appointments to be made by the Board at the December meeting. The need for a Commission Chair was also discussed.
 - Commissioner Naylor lead a discussion on the fire department website, possible improvements and other technology based applications to get information out to the public. Engineer Correa commented on a nixie service he gets information on in his home town in Petaluma. Chief said that is an option available through Comm Center.

- Chief gave an update on the El Nino preparation work done thus far and some work that will be done in the immediate future.
6. Future Agenda Items
 - Future agenda items-Commission Chair, Commission Goals and projects, and email the bylaws out for review.
 7. Adjourn

Chief Tom Roach

January 1, 2015

To: Marinwood Board of Directors
From: Chief Tom Roach
Re: Activity Summary for December 2015

FULL TIME PAID STAFFING

Eleven (10) full time paid personnel and One (1) Temporary Firefighter including:
Fire Chief Tom Roach

“A” shift- Captain Heine, Engineer Smith, Firefighter Brackett

“B” shift- Captain Bagala, Engineer Papanikolaou, Firefighter Selvitella, Temporary Firefighter Brad Davenport

“C” shift- Captain White, Engineer Correa, Probationary Firefighter Sean Day

Two firefighter’s off on industrial disability leave. Temporary firefighter Brad Davenport will go back on shift this January.

VOLUNTEER STAFFING

21 Current Volunteers including:

One Volunteer Battalion Chief

2 Volunteer Firefighter/AO’s

8 Volunteer Firefighters qualified as “responders” (includes AO’s & Captains)

13 Volunteer Firefighter qualified as a “non responder”

EMERGENCY CALLS

Below are emergency calls through December 30, 2015. The department ran 112 emergency responses in December, mostly medical aides but the department did respond to one chimney fire in Marinwood and two haz mat incidents in San Rafael.

	December 2015 Response Report-through 12/30						
	MA	PSA	FA/NN	FIRE	HAZMAT	COVER	TOTAL

Others (list)	0	0	0	0	0	0	0
Total number	71	16	13	2	2	8	112

COMMUNITY SERVICE/PREVENTION/ASSOCIATION MEETINGS

- I completed three final inspections of new solar systems in Marinwood.
- A Fire Commission meeting was held in December.
- I completed one home inspections in Marinwood during December
- Treemasters completed some creek work to help with the winter rains in December.
- I attended the monthly Prescription Drug Abuse meeting in December.
- The on duty staff and I went through some new records management training in December.
- The on duty engine company did a public education detail for a preschool in December.
- Two paid personnel went through a training for active shooter response in December.
- The Santa Detail was held in December.
- A volunteer firefighter and I did a ride to school detail in December.

TRAINING

- Six minutes of Safety training was reviewed daily by on duty staff.
- Department Personnel continued with the Target Safety Training Program during December.
- Sean Day completed the new volunteer academy in December..
- All three shifts participated in a multi company drill/training through the Central Marin Training Consortium in December. And Marinwood Captains were given the assignment to teach Commercial Fire Attack in January for CMTC.
- Three volunteer drills were held in December. Commercial Firefighter, EMS, and interview techniques were the topics.
- The on duty engine company assisted with hose lay training for the new hire academy in December.

MAINTENANCE

- All 4 department vehicles underwent a comprehensive monthly check during November.
- All gas-powered equipment was checked weekly during the months.
- All vehicle batteries were serviced and charged on a weekly basis during the months.
- The bumper repair for Engine 58 was being fabricated at Burtons Fire in Oakdale and will be replaced in January. Insurance is paying for the repair and will be billing the at fault driver.
- The gas powered vehicles the District own all have to be smog checked. Paperwork was submitted to the DMV in December.

From: Chief Roach

Re: New Engine Update, Election of Commission Chair, Staffing, Goals for 2016, Succession Planning for Paramedic Program

New Engine Update

Fire Department Personnel are going back to the KME plant on January 5-8 for the final inspection of the new engine. Captain Heine, Engineer Cesar Correa, and Engineer John Papanikolaou are the three department members going. Depending on the outcome of the inspection depends on when the engine will leave for California. Hopefully if the engine is built as designed the engine will leave for California early the following week. It is expected to take 6-8 days for the engine to travel to Ontario California where the final details will be done to the engine. This has the engine arriving in southern California around January 18. Hopefully the engine will be prepared for Marinwood personnel to drive the engine north by the end of the week. That has the engine arriving in Marinwood around January 23 or 24. Again these dates can change depending on if additional work needs to be done after the inspection in Pennsylvania or in Ontario.

Commission Chair

The Commission needs to elect a Commission Chair for 2016, Jim Rey has offered.

Staffing

The department staffing level has definitely been short during the end of 2015. Ross's departure along with two industrial disability injuries, combined with the temporary hires running out of hours and Sean Day attending the new hire academy all contributed. With that being said, department personnel have all helped by picking up open shifts to fill the void. The shortage will be helped by Sean Day completing the academy in mid-December and going on shift. Also, beginning January 1 the temporary hires can be utilized again for up to 1000 hours. Also, one of the industrial disability injuries will return by mid to late January hopefully as opposed to the nine months previously thought, although the rehabilitation time could vary, time will tell.

Goals for 2016

- *A partial list of some Department Goals for 2016-
- *A Captains Test and Assessment Center
- *An Engineer Test and Assessment Center
- *AFG Grant for new SCBA compliment
- *SAFER Grant for staffing of the Relief Firefighter Position
- *Balanced Fire Department budget for 2015/16
- *Replace half of the SCBA Compliment with new SCOTT SCBA's
- *Vegetation Management SRA Grant for Blackstone Project
- *Community Project Grant through Marin County Supervisors for Lions Club Disaster Preparedness Grant
- *Implement the Paramedic ALS Engine Company

*Additional Paramedic hire

*EMT Recertification for all paid personnel

*Continue to develop volunteer program

*Place new engine in service

*Again this is not all inclusive and if there are additional goals the Commission would like to see the department accomplish please let me know. Or if there are some goals the Commission would like to accomplish lets discuss in January.

Succession Planning for implementation of Paramedic Positions

Jeff Naylor would like to lead a discussion of the implementation of paramedics in the Marinwood FD.
