The Department:

The Marinwood Fire Department is a professional “All Risk” combination department staffed with 10 full time paid personnel and supported by a volunteer staff of up to 24 participants and overseen by a Fire Chief. The department provides a minimum of 3 paid personnel on duty at all times including a Captain, an Engineer, and a Firefighter or Firefighter/Paramedic. These personnel provide fire protection and emergency medical services to the local communities and those of the surrounding agencies through various cooperative agreements and mutual aid. The department personnel staff a Type 1 Structural Fire Engine and cross staff a Type 3 Wildland Fire Engine as well as various utility vehicles that average approximately 1200 calls per year.

The Position:

Under direct supervision, the Firefighter/Paramedic performs firefighting and emergency response duties in protecting life and property, responds to fire, rescue, emergency, and non-emergency service calls, assists with fire inspections and fire prevention functions, performs station and equipment maintenance work, participates in training activities and programs, participates in community education programs and events. Must have the ability to read, understand, and act in accordance with Department safety standards, policies, rules, and regulations.

The Community:

The Marinwood Community Services District is situated approximately 20 miles north of San Francisco in Marin County, California. Founded in 1960, the Marinwood Community Services District is an agency of local government providing fire protection and emergency response services, street lighting, recreation programs and facilities, and parks and open space to the unincorporated community of Marinwood. The boundaries of Marinwood Community Services District (CSD) include various developments, including Marinwood, Lucas Valley, Casa Marinwood, Roundtree, Miller Creek Gardens, Miller Creek Ranch, Lucas Valley Estates and Las Gallinas Ranch. Marinwood-Lucas Valley is approximately 6 square miles and includes 2400 residences housing 6200 residents.
