First Amendment to Benefit Accommodations Policy due to Ongoing COVID-19 Concerns
J

Directors,

Please see the included First Amendment to Policy Allowing for Temporary Benefit Accommodations in Response to the COVID-19 Global Public Health Emergency.

During the September 2020 board meeting, the Board approved and adopted the included "Policy Allowing for Temporary Benefit Accommodations in Response to the COVID-19 Global Public Health Emergency" to supplement and enhance the *Families First Coronavirus Response Act* (FFCRA) previously enacted by the Federal Government. The primary intention of the FFCRA was to allow employees who meet certain specified "Qualifying Reasons for Leave" related to COVID-19 the ability to take up to an additional two weeks of paid sick leave. The primary intention of the District's policy was to allow firefighters to take up to 120 hours of additional paid-sick leave in recognition of their 24-hour schedules, thus also allowing two calendar weeks of leave if needed.

Both the FFCRA and the aforementioned District policy expired on December 31, 2020 in accordance with their respective terms. To date, the FFCRA has not been extended which would have automatically extended the expiration date of the District policy.

COVID-19 continues to have a significant impact posing threat of serious illness.

The District employs several personnel in multiple employment positions and classifications who through the course of their job duties regularly interact with members of public, thus placing them at heightened risk of contracting COVID-19. While the District has implemented several protective measures to lessen this risk it is recognized this risk remains heightened for our personnel who are not able to perform their essential job functions remotely.

The proposed amendment extends the District policy as written to March 31, 2021. The amendment also includes additional full-time employee positions and classifications previously covered under the FFCRA as well as the inclusion of specific part-time positions. Specific positions and terms include:

- All regular full-time positions (non-safety) shall be allowed up to an additional 80 hours of paid sick leave to those who meet the "Qualified Reasons for Leave" related to COVID-19 as stated in the original policy.
- Part-time Preschool Program Teachers and Preschool Program Supervisor shall be allowed up to an additional 32 hours of paid sick leave to those who meet specific "Qualified Reasons for Leave" related to COVID-19 as stated in the original policy.
- Part-time After School Program staff shall be allowed up to an additional 38 hours of paid sick leave to those who meet specific "Qualified Reasons for Leave" related to COVID-19 as stated in the original policy.

The hours proposed for the part-time positions listed have been calculated to allow enough paid sick leave to enable these respective District employees to receive this benefit for two weeks in accordance with their regularly scheduled work shifts.

The proposed amendment has minimal additional fiscal impact on the District.

<u>Staff Recommendation:</u> Adopt the "First Amendment to Policy Allowing for Temporary Benefit Accommodations in Response to the COVID-19 Global Public Health Emergency" as proposed.

MARINWOOD COMMUNITY SERVICES DISTRICT POLICY ALLOWING FOR TEMPORARY BENEFIT ACCOMMODATIONS IN RESPONSE TO THE COVID-19 GLOBAL PUBLIC HEALTH EMERGENCY

Adopted by the Board of Directors: September 8, 2020

Purpose:

The purpose of this policy is to allow for temporary accommodations to eligible employees of Marinwood Community Services District in response to the COVID-19 public health emergency.

Background:

Effective April 1, 2020 and expiring on December 31, 2020, the Federal Government passed legislation enacting the Families First Coronavirus Response Act (FFCRA). The FFCRA provides additional paid sick leave benefits to eligible employees who meet certain specified Qualifying Reasons for Leave.

Within the FFCRA exists a provision allowing employers to exclude certain types of employees, including first responders, from eligibility for the leave provided under the Act.

Policy and Procedure:

- 1. <u>First Responders Excluded from FFCRA:</u> Marinwood Community Services District excludes all employees classified as first responders/safety personnel from the FFCRA.
- 2. <u>Benefits in Lieu of FFCRA:</u> Marinwood Community Services District shall provide the following benefits in lieu of the FFCRA:
 - a. First responders/safety personnel shall be allowed up to 120 hours of additional paid sick leave if the employee is unable to work (or unable to telework) due to a need for leave in accordance with the Qualified Reasons for Leave stated within the FFCRA:
 - i. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
 - ii. has been advised by a health care provider to self-quarantine related to COVID-19;
 - iii. is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
 - iv. is caring for an individual subject to an order described in (i) or selfquarantine as described in (ii);
 - v. is caring for a child whose school or place of care is closed (or child care provider is unavailable) for reasons related to COVID-19; or
 - vi. is experiencing any other substantially-similar condition specified by the Secretary of Health and Human Services, in consultation with the Secretaries of Labor and Treasury

- 3. <u>Advancement of Sick Leave Balances:</u> For all regular full-time employees who have insufficient leave balances and need to take leave for reasons specified in Item 2(a)(i-vi), Marinwood Community Services District shall allow at the employee's written request an advancement of paid sick leave as follows:
 - a. First responders/safety personnel shall be granted up to 120 hours of advanced paid sick leave credits.
 - b. Non-safety personnel shall be granted up to 80 hours of advanced paid sick leave credits.
 - c. For all employees, any advanced sick leave credits must be earned back through standard paid sick leave accrual deductions. In the event employment is terminated prior to earning back all advanced paid sick leave credits, the employee shall pay Marinwood Community Services District the value of the remaining amounts calculated at their standard rate of pay times the total advanced hours remaining either in cash or via deduction from their final payroll.
- 4. <u>Record Keeping:</u> Marinwood Community Services District shall maintain a written record of all paid sick leave used in accordance with the provisions stated in Items 2 and 3.
- 5. <u>Policy Expiration Date:</u> In accordance with the expiration date stated in the FFCRA, this temporary policy shall expire on December 31, 2020, with the following exceptions:
 - a. Should the expiration date of the FFCRA be extended by the Federal Government, this policy shall also be automatically extended to expire on the same date.
 - b. In the event the FFCRA expiration date is not extended, the Marinwood Community Services District Board of Directors reserves the right to extend this policy to a specified date via formal action should they so choose.

FIRST AMENDMENT

ТО

MARINWOOD COMMUNITY SERVICES DISTRICT POLICY ALLOWING FOR TEMPORARY BENEFIT ACCOMMODATIONS IN RESPONSE TO THE COVID-19 GLOBAL PUBLIC HEALTH EMERGENCY Proposed to the Board of Directors: January 12, 2021

Purpose:

To amend and extend *Policy Allowing for Temporary Benefit Accommodations in Response to the COVID-19 Global Health Emergency* (Policy) due to the ongoing significance of associated health concerns for Marinwood Community Services District (District) personnel.

Background:

Effective December 31, 2020, the Families First Coronavirus Response Act, originally enacted by the Federal Government, expired without renewal. Similar subsequent supplemental paid leave acts enacted by the State of California also expired without renewal on this date. COVID-19 continues to have significant impact posing threat of illness on not only our local region but nationwide and globally.

The District currently employs several personnel in multiple employment positions and classifications who through the course of their job duties regularly interact with members of public, thus placing them at heightened risk of contracting COVID-19. While the District has implemented several protective measures to lessen this risk it is recognized this risk remains heightened for our personnel who are not able to perform their essential job functions remotely.

Amendments to Policy and Procedure:

- 1. <u>Inclusion of Additional Personnel Classifications</u>: Policy Section 2 shall be amended to expressly add and include the following employment classifications/positions and terms:
 - b. All regular full-time personnel (non-safety) shall be allowed up to 80 hours of additional paid sick leave if the employee is unable to work (or unable to telework) due to a need for leave in accordance with the Qualified Reasons for Leave stated within Policy Section 2 (a) (i vi).
 - c. Part-time Preschool Program Teachers and Preschool Program Supervisor shall be allowed up to 32 hours of additional paid sick leave if the employee is unable to work (or unable to telework) due to a need for leave in accordance with the Qualified Reasons for Leave stated within Policy Section 2 (a) (i iii).

- d. Part-time After School Program personnel shall be allowed up to 38 hours of additional paid sick leave if the employee is unable to work (or unable to telework) due to a need for leave in accordance with the Qualified Reasons for Leave stated within Policy Section 2 (a) (i iii).
- 2. <u>Extension of Policy Expiration Date:</u> All conditions, terms and procedures stated within the Policy, including the above-referenced amendments, shall be extended in accordance with Policy Section 5(b) to March 31, 2021. The Marinwood Community Services District Board of Directors reserves the right to further amend and/or extend this policy to a specified date via formal action should they so choose.

Re:	Resolution 2021-01: Joining the Marin County Special Districts Association

Directors,

Please see the included Resolution 2021-01 stating the District's intent to join the Marin Chapter of the California Special District's Association (CSDA).

The District has been a long-time member of CSDA and as such has taken advantage of the many resources it offers. The local Marin Chapter, known as the Marin County Special Districts Association (MCSDA), has been recently formed to allow staff and other leadership of special districts located in Marin County a further opportunity to convene and discuss issues specific to our local communities as well as to provide a potential collective voice of advocacy for our districts.

Having participated in their first few meetings, including those discussing whether or not to form an official chapter, I feel the formation of the MCSDA to be a worthy endeavor. Special Districts in Marin County can often become an afterthought in County-wide decisions and deliberations when compared to the larger agencies of Towns, Cities and the County itself. Forming a collective voice will not only enhance the visibility and awareness of special districts within the County but also hopefully strengthen their influence in such matters.

Furthermore, the formation of MCSDA represents an excellent opportunity for networking and shared educational opportunities.

Joining the MCSDA presents minimal additional fiscal impact on the District as there are no membership dues and all meetings will be conducted locally.

<u>Staff Recommendation:</u> Approve Resolution 2021-01 as presented stating the District's intent to join the MCSDA.

RESOLUTION NO. 2021-01

RESOLUTION OF THE BOARD OF DIRECTORS OF THE MARINWOOD COMMUNITY SERVICES DISTRICT STATING ITS INTENT TO PARTICIPATE IN THE ACTIVITIES OF THE MARIN COUNTY SPECIAL DISTRICTS ASSOCIATION

WHEREAS, Marinwood Community Services District (District) is a special district organized pursuant to the Community Services District Law (California Government Code § 61000, et. seq.); and

WHEREAS, the District is a member of the California Special Districts Association (CSDA); and

WHEREAS, the District's Board of Directors deems that participation in the meetings and activities conducted by the Marin Chapter of the California Special Districts Association, known as the Marin County Special Districts Association (MCSDA), would provide a benefit to the District.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of Marinwood Community Services District that the District intends to be a member of MCSDA; and

BE IT FURTHER RESOLVED that the District's Board of Directors has selected the District Manager to be the District's voting representative to MCSDA and has authorized the District Manager to select an alternate voting representative to MCSDA if and when such a selection is needed.

Re:	Potential Nomination of Special District Representative to LAFCo

Directors,

Marin LAFCo is currently seeking nominations of Special District Representatives for election as LAFCo Commissioners to a four-year term. There is currently one seat available for election. For your reference, the nomination form has been included as well as a brief fact sheet regarding the position available for nomination.

Once the nomination period has closed on February 12, 2021, the District will be presented with the list of nominees and the Board will be presented the opportunity to vote for the nominee of their choice at a future board meeting. Official voting ballots must be submitted to LAFCo no later than April 20, 2021. The special district nomination and election process is facilitated through the recently formed Marin County Special District Association.

LAFCo Background (excerpted from https://www.marinlafco.org/):

Marin LAFCo is a subdivision of the State of California and currently responsible for directly administering the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (CKH) within Marin County. Examples of their role include regularly preparing studies – titled municipal service reviews – to independently evaluate the availability, need, and performance of local governmental services relative to current and future community needs and ahead of updating local agencies' spheres of influence every five years. Additionally, LAFCo's regulatory powers oversee outside service extensions as well as the authority to directly initiate certain government reorganizations, such as forming, consolidating, or dissolving special districts.

Marin LAFCo has jurisdiction over 65 current local governmental agencies located throughout Marin County. These agencies include 11 cities and towns, 30 independent special districts and 24 dependent special districts.

State law details the composition of all LAFCOs shall generally include seven regular members divided between two (2) county supervisors, two (2) city council members, two (2) special district members and one (1) public member representation. Each represented category has one alternate. Appointments for the county are made by the board of supervisors. City members are appointed by the city selection committee, and the special district members are decided by majority election of the 30 independent districts. Appointments for public seats are determined by the regular seated LAFCo members after the candidates have been vetted for eligibility and interviews of candidates have been conducted. All terms are four years and there are no term limits.

Potential Board Actions:

- 1. Nominate a member of the Marinwood CSD Board of Directors to serve as LAFCo Special District Representative Commissioner.
- 2. Nominate a member of another special district governing body to serve as LAFCo Special District Representative Commissioner.
- 3. Take no action (The Board will still be presented the opportunity to vote in the election).

Marin County Special Districts Association

LAFCo Marin County Election Fact Sheet

There are two special district representatives (regular seats) plus an alternate on the LAFCo Board. They serve alternating four-year terms. There are no term limits for these seats.

The remainder of the LAFCo Board is made up of Marin County and City representatives. LAFCo is a subagency of the State of California and LAFCo responsible for evaluating and recommending potential consolidations of local government jurisdictions within the County.

Up for nomination and election in 2021

Special District Member (regular seat) Craig Murray's term is set to expire in May 2021.

Regular vs alternate seats

The regular special district member serves on the Commission and is able to vote on all items in front of the Marin LAFCo Commission. The alternate special district member serves on the Commission and is able to participate in Commission meetings but only is allowed to vote on matters when one of the regular special district members is not able to vote on the matter due to absence or conflict of interested.

Two seats not up for nomination

A four-year term ending in May 2023 is currently held by Lew Kious.

The alternate special district member, Tod Moody, is serving a four-year term ending in May 2023.

Re:	Appointment of Board Liaisons to District Commissions

Directors,

As stated in the Board Bylaws, each January the Board President is to appoint a director liaison to the Fire Commission and the Park & Recreation Commission, respectively. The bylaws state:

Article XIII Commissions

The MCSD has two advisory commissions aligned with District's mission. The Fire Commission provides guidance and oversight of the Fire Department. The Park & Recreation Commission provides guidance and oversight to the Park & Recreation Department. Each commission operates under a set of approved Bylaws and adheres to the Brown Act and Rosenberg's Rules of Order.

A. Board Liaisons

Every year, at the January meeting, the Board President shall appoint one Director to serve as liaison to each Commission. Those appointments shall be filled by alternating members of the Board, and all Directors are encouraged to serve as a liaison to the Fire or Park & Recreation Commissions at least once. Other Board members may attend commission meetings as observers in accordance with the Brown Act, but have no authority to participate in any way in commission discussions.

Should they be available to serve in this role, staff recommends appointing two of the recently seated Board Directors to serve as liaisons this year to each respective Commission allowing opportunity for further insight into District support efforts.

District Manager Report January 12, 2021 Submitted by: Eric Dreikosen, District Manager

The information below is intended to provide a brief update on select District initiatives, activities and items of note and should not be viewed as a complete list of all current District activities or initiatives.

FY 20/21 Financial Audit:

Staff are in process of finalizing our FY 19/20 financial audit with our auditor R.J. Ricciardi, Inc. Much progress was made on this effort during the past month. It is anticipated that the draft report will be completed by the end of January and presented to the Board of Directors by the lead audit partner at the February board meeting. This timing is consistent with the past several years.

Park Maintenance Facility Replacement Project

The demolition of the former park maintenance facility was completed in full last month.

As referenced in last month's report, the construction plan set was submitted to a 3rd-party plan check service and the District has received their initial feedback. The project architect as well as the structural engineer have been making the adjustments and notations requested by the plan check service and will resubmit for final review in the coming week or two. Once the revised plan sets are reviewed and signed off by the plan check service, the District will submit the final plans to the County for construction permitting.

Furthermore, once the plan check process is completed, we will be able to finalize and issue the RFP bid sets and construction plans. As also referenced in last month's report, the bidding process will be in accordance with applicable government code in which all bids will be received as "sealed" and opened together in a public setting at a time and date to be determined. The bids will be examined for completeness and to ensure that each bidder meets requirements to work on public works projects of this scope. Qualified bids will then be presented to the Board of Directors during a regular board meeting accompanied with staff recommendations on formal actions to be taken.

Wildfire Prevention Plans:

I continue to work with the City of San Rafael Fire Department personnel in developing a multi-year treatment plan for wildfire prevention as it relates to Marinwood properties. I have also recently met with other personnel from the City of San Rafael to discuss and form a written agreement between the City and the District in which direct costs of our wildfire prevention work initially incurred by the City will be reimbursed by the District. Examples of such costs include but are not limited to AmeriCorps crews performing work on District lands, residential home inspections, etc. Any 3rd-party work performed under contract will be contracted directly between the District and the vendor. All costs of our wildfire prevention efforts will be funded through the District's allocation of funding received from the Marin Wildfire Prevention Authority.

I remain extremely grateful to the City's Fire Department staff who have served key roles while dedicating their time and expertise towards the planning process of identifying potential projects and providing best practice methods by which to have the work performed. The District is fortunate to have them as a resource for this initiative.

Several other items of note that staff have been working on during the past month are included as separate agenda items. These will be presented and discussed at those times.

-Karsenti commented on the recent defensible space home hardening inspections and the good progress being made by homeowners in the neighborhood removing juniper from their properties.

Re: Fire Department Update

Marin Wildfire Prevention Authority-Vegetation Management

The year-to-date accomplishments are posted on the website. They can be viewed at <u>https://www.marinwildfire.org/programs</u>. The MWPA is taking a slow approach to building the Board. Executive Director, Mark Brown has brought forward a request for a planning and program manager. 55% of tax revenue received will be passed through to the agencies with another 40% scheduled to be dispersed in April and the final 5% in June 2021. It is recognized that some projects may cross fiscal years such as work that occurs throughout or during the summer months. It is also possible for smaller agencies to table monies for a couple of years in order to be able to launch larger projects.

Guidelines/COVID-19:

COVID-19 Vaccine Distribution

The COVID-19 vaccine has <u>arrived in Marin</u> - and, with it, SRFD firefighters are helping vaccinate employees and residents of skilled nursing and assisted living facilities. Above, SRFD FF/PM Brent Heinrich injects a frontline essential worker with the Pfizer vaccine. We still have a long way to go and need everyone to stay physically apart and home as much as possible so we can get through this (hopefully) final surge. [Video still credit: <u>Sherry LaVars.</u>]

Marinwood Firefighters and Volunteer Firefighters had their names submitted to the North Bay Incident Management Team as part of the local roster of first responders and administrative staff who were scheduled to receive whichever vaccine was available at the first offering of the vaccinations. **At this time, all Marinwood paid members have received the first dose (except one member off on injury leave).** The effort which began on or about December 21, 2020 is well underway with members on all 3 shifts receiving the vaccination. A second vaccination will be provided to the members approximately 3 weeks after receiving the first (for those who have received the Pfizer vaccination) and 4 weeks after the first dose for those members who received the Moderna vaccine. These second doses will begin the week of January 10, 2021.

In partnership with the Federal Government, Walgreen's and CVS pharmacies will administer the Pfizer vaccine to the residents and staff at long-term care facilities, nursing homes, assisted living and other residential care facilities. Both pharmacies will do so at no cost to the State or Federal Government. The intent is to make 3 separate visits to administer the first and second vaccinations, followed by a last visit to ensure that everyone has been accounted for. CVS intends to provide 40 million on-site vaccinations to the staff and residents of long-term care facilities.

Emergency Incidents

Structure Fire

On December 22-23, 2020 crews from Marinwood and San Rafael Fire Departments responded to an exterior fire burning near the garage of a one-story single-family dwelling. Upon Engine 58's arrival residents were seen attempting to extinguish the fire with a garden hose. Fortunately, damage was confined to the exterior of the dwelling along with an Air Conditioning unit. Garbage cans in this area were destroyed. The owner had been staining a wood fence and placed the rags in the garbage can. The likely cause of the fire: oil-soaked rags that were improperly disposed of in the garbage can.

Collision

On December 12, 2020, San Rafael and Marinwood firefighters, along with CHP and the Marin County Sheriff's Office, responded to a vehicle accident on southbound Highway 101 at Lucas Valley Road. Firefighters arrived on scene to find one vehicle starting to catch fire and 6 occupants, all minors, outside of the vehicle. CHP and the Marin County Sheriff's Office also were on scene. Marinwood Engine 58 put out the fire and San Rafael Medic 57 transported 3 patients to Marin Health.

Marinwood Fire Department Statistics: December 2020

The Marinwood Fire Department responded to 104 emergency calls in December 2020 through the morning of December 28; of these, 7 calls were cancelled en route. More than 60% of the calls were medical incidents, including three calls in which COVID-19 was confirmed. The department responded to two structure fires, one in Marinwood and one in Novato.

Parks and Recreation Report January 2021 Submitted by: Luke Fretwell, Recreation Director

RECREATION

Winter Break Camp

During the last two weeks of December the Recreation Department offered our annual Winter Break Camp for kids home from school. We served over 20 local families needing childcare during the 2-week break and the camp went extremely well. The COVID-19 shelter in place health order in place at the time deterred many other local recreation departments from offering their own winter break camps. However, after successfully offering our camp program this summer, our staff felt confident we could host a winter break camp while meeting all the guidelines and keeping our staff and participants safe. We will also be offering week-long camp programs over Mid-Winter break in February and Spring Break in April.

In addition to our Winter Break Camp we also offered, for the first time, a short Winter Break Sports Camp, which was well attended. Thankfully, the weather cooperated and the camp went smoothly.

Holiday Activities

Letters to Santa

On December 1st we began accepting letters to Santa Claus in a bright red "North Pole Mail Box" outside the reception hall at the community center. The staff put up a festive light display in the community center windows where kids of all ages were encouraged to stop by, see the lights, and drop off their letters. Letters submitted by December 17th were answered by Santa. We received just over 70 letters. Many thanks to Carolyn Sullivan for serving as Santa's secretary and making sure all the letters got answered.

Spring/Summer Planning

Staff has spent the past several weeks planning our spring and summer schedule of classes, camps, lessons, and other programs we intend to offer in the coming months. The process has been challenging as so many unknowns remain regarding future COVID-19 restrictions and guidelines. However, the recreation staff has strategically planned multiple iterations of many of our programs putting us in a position to hopefully move forward with most of our programs regardless of what restrictions are in place at the time. We are also working on the spring/summer issue of the Marinwood Review and plan to publish it in early March.

Our staff members regularly attend virtual meetings with fellow California Recreation Departments, the Marin County Health Department, and local Marin agencies, to stay abreast of the latest news, brainstorm strategies for navigating the current health guidelines, and help advocate for sensible policies regarding recreation programming from the County and State. Planning for our spring and summer programs is a challenging process under normal circumstances and I am proud of the way our staff has been flexible and adaptable in the face of so many unknowns.

Classes & Programs

Our traditional preschool program will resume on January 12th with some modifications per the current health guidelines. The teachers completed their annual orientation/training on January 6th and everyone seemed enthusiastic about the school year. We are excited to see our teachers and students back in the community center again.

PARKS & BUILDING MAINTENANCE

Rainy Season Preparation

This past month the Parks staff completed an inspection of the many drains, V-ditches, and culverts throughout Marinwood's open space, clearing leaves and debris as needed ahead of the rains. Throughout the winter the staff regularly inspects these areas to check for and remove obstructions and blockages.

On December 27th staff set up a sandbag station in the parking lot for residents needing to protect their property from flooding. We will be offering sand and sandbags to Marinwood residents throughout the rainy season.

Marinwood Signs

Over the past couple weeks staff has spent time updating the landscaping around the two wooden Marinwood signs leading into the District. One sign was defaced in recent days and restoration work is underway.

Winter Preparation

This month the staff has begun checking and cleaning the drains, culverts, and v-ditches in the open space ahead for the rainy season. Staff has also begun its annual inspection of Miller Creek for erosion and dam hazards.

Bay Tree

On the morning of December 31st the large bay tree next to the Marinwood Fire House was discovered to have fallen over, likely due to heavy wind the night before. Thankfully, the fall did not result in any injury, property damage, or traffic obstruction. Staff cut the tree back from blocking the sidewalk and it was cut up and chipped 2 days later. In addition to the literal hole in the ground, the tree's absence has left a visual hole in the landscaping and staff will be cleaning up the area and adding new plantings in the coming weeks and months.

Playground Repair

Last week staff replaced two play structure platforms that were showing signs of wear in the playground in the main park. This playground is nearly 20 years old (built in 2002) and is quickly reaching the end of its usable life. Replacement parts are becoming harder and harder to find as many suppliers are no longer able to source some of our components. It is recommended that we begin exploring options for replacing the playground as soon as is feasible.

Playground inspections are performed regularly on all 3 playgrounds and repairs are made as needed.

Daily/Weekly Duties:

- Clean and restock Community Center building and park bathroom daily
- Blow/rake leaves around community center semi-weekly
- Empty garbage and dog waste receptacles in 3 parks and at trailheads semi-weekly
- Mow lawns in 3 parks and pool weekly
- Irrigation inspection in 3 parks weekly
- Check 3 playgrounds for graffiti and hazards semi-weekly
- Check and adjust pool chemistry/equipment daily
