b. K-12 students are required to mask indoors, with exemptions per [CDPH face mask guidance](#). Adults in K-12 school settings are required to mask when sharing indoor spaces with students.

Health & Safety Checks

It is a parent's responsibility to monitor the health of their child before attending our Program. It is vital that all parents and guardians keep children at home if they are sick and/or until they have been fever/symptom-free for a **full calendar day** without the use of medicine. Parents must be able to answer **NO** to all the following daily intake questions before bringing their child to our Program.

Parents/guardians are responsible for notifying Marinwood about illnesses, possible exposures and any positive COVID-19 test results as soon as possible during the course of our program. While Marinwood will take all possible precautions to protect the health and safety of children and staff, we expect everyone to follow the current health and safety guidelines.

Children must stay home when they are sick. Per the guidelines, if a child has a new cough or other illness symptoms, they may not come to camp even if they have no fever. If a child shows signs of respiratory illness (a new cough, complaints of sore throat, or shortness of breath), a fever of 100°F or above, they will not be permitted to attend and must be kept home until they have been symptom-free for at least a full calendar day and can answer "no" to all intake questions.

Daily Intake Questions:

- Has your child or anyone in your household been in close contact within the past 14 days with someone who has tested positive for COVID-19?
- Does your child have a fever, cough and/or shortness of breath? For children, a fever is 100 degrees or above using a forehead thermometer.
- Does your child have any other signs of communicable illness such as a cold or flu?

Signs of Illness During Program:

Participants will be monitored for signs of illness throughout the day including:

- Headache or tiredness, unable to participate in routine activities or need more care than staff can provide
- Fever with behavior changes, difficulty breathing, uncontrolled coughing, unusually tired, persistent crying, etc.
- Open sores, rash, signs of infection, etc.
- Runny nose with colored mucus

If children are exhibiting any of the above symptoms, **parents / guardians are required to and must agree to come pick up their child without delay if they are exhibiting these symptoms.** For more information about Marinwood's COVID-19 protocols, please see end of parent packet.

Required Forms

1. Online Student Information Form

Marinwood utilizes ePACT, a secure online emergency network, for parents to communicate their child's medical needs, emergency contact information, permissions, and other important information we need to know throughout the year. ePACT enables parents to conveniently update their camper's info as needed and eliminates wasteful and onerous paperwork. Please accept and complete the online emailed invitation to the ePACT Network at your earliest convenience. All registered participants will receive an online invitation before the school year. For customer support, please email help@epactnetwork.com.

How it works

- 1) You'll receive an email invite to share information with Marinwood Community Services District.
- 2) Click 'Complete Request' to create a free account, or log-in if you already have an existing ePACT account.
- 3) Enter the required information, like medical conditions, and share it with Marinwood Community Services District. If you already have an account, it will take just 2 minutes to verify that your information is still accurate.
- 4) You can update your information at any time in the year, and we will automatically be notified (e.g. a new cell phone number)

This online forms will include parental pickup permissions, medical information, and parental consents for swimming, etc. Parents will also need to sign a liability waiver as part of the information.

2. Credit Card Information for Automatic Payments Form

Swimming Information

Swimming at the Tot Pool (Ages 6 & Under)

Participants will not be allowed to swim without parent approval on their ePACT form. The Tot Pool is 1.5 feet deep. Staff will be stationed next to the tot pool monitoring the children. Marinwood lifeguards are on duty for all swim times.

Swimming at the Main Pool

Participants will not be allowed to swim without parent approval on their ePACT form. The shallow end of the pool is 3.5-4.5ft deep. Children must pass a swim test (swim 25 yards unassisted) to be able to swim in the deep end. For children not wishing to swim, supervised and planned alternative activities will be offered during swim time. Safety is #1 in camp; therefore staff will also be stationed in the water and lifeguards are on duty for all swim times.

Withdrawal Policy

If parents wish to terminate the program at any time, written notice is due at least five business days prior to the start of the month. There is no refund if withdrawal occurs during the middle of

the month. If proper notice is not received, parents will be held responsible for tuition regardless of whether or not the child attends the program. If program withdrawal occurs after April, parents will still be responsible for May/June tuition.

After the charge date (1st of each month) no refunds will be given.

Staff

Marinwood staff are highly-trained, energetic and motivated. Our goal is to provide your child with the best after school experience possible in a fun and safe environment. Every staff member is certified in CPR and First Aid for the Professional Rescuer by the American Red Cross and all staff members have been fingerprinted and undergone a background check.

Code of Conduct

I. Listen and Follow Directions:

- A. To keep things running smoothly and maximize fun! Please listen when the counselors are speaking and follow their directions.

II. Be Respectful of Others:

- A. Please keep hands and feet to yourself.
- B. Treat others as you wish to be treated.
- C. Speak kindly when talking to others. Bad words/profanity are offensive and will not be tolerated.
- D. Lifeguards are to be respected the same as counselors.
- E. The park belongs to everyone! Students should dispose of all trash properly. Treat trees, grass and surrounding natural resources with care and respect.
- F. Be considerate of other Center programs.

III. Be Safe:

- A. Students should let their counselors know where they are at all times. Never leave a designated area without permission.
- B. Stay out of parking lot and unauthorized areas.
- C. Follow all safety rules when in the pool area.

IV. Money and Personal Possessions:

- A. Students are responsible for any money, clothing, and personal possessions brought to camp. Please do not send any personal toys, balls, video games, radios, pocket knives etc. with your child. These items are often distracting to all participants and take away from camp activities. It is not the counselor's responsibility to keep track of their students' belongings. Please have all of your children's items labeled with their name.

V. Discipline:

We try to always be positive with campers. However, if your child breaks rules, the following steps will be taken:

- A. A verbal reminder will be given indicating that the behavior or action is inappropriate and why.
- B. If the behavior continues, the child will then be given a "time-out." At this point, the child is taken away from the group and a counselor will discuss again with the child why the behavior or action is inappropriate. The camper will then "sit out" for a set period of time.

- C. If further inappropriate behavior continues and another “time-out” is deemed necessary, a phone call or letter may be sent home to the child’s parents with a response necessary for the child to continue in the program.
- D. Repeated inappropriate behavior through the course of camp could result in dismissal from the camp for a period of time.
- E. Serious offenses such as any physical altercations, fighting or stealing will result in an automatic suspension from program for a period of time.
