

March 11, 2020

Dear Friends, Families & Neighbors,

We are all finding ourselves navigating our way through the situation known as COVID-19 (Coronavirus). Marinwood CSD is closely monitoring all communications from the Marin County Emergency Operations Center (EOC), the Public Health Officer (PHO) and the Centers for Disease Control (CDC) amongst other respective authorities. We have been and will continue to follow the recommendations of the experts. We feel it imperative that we employ consistent precautionary measures throughout our greater community.

While recognizing this is a fluid situation, we will continue to serve the community as circumstances allow and in the manner that you have come to expect. We take great pride in the fact that the community relies on our recreation services as a safe place for your children. At this time, we do not plan to cancel programs, classes or scheduled camps (this could change as the situation continues to evolve). As with the schools, we ask that if your children are feeling ill you keep them home until it has passed.

We are however taking extra precautions with our non-essential activities and events. As such, we have decided it best to cancel our upcoming Spring Art Show that was scheduled for Saturday, March 21st.

Please know, Marinwood CSD is implementing a heightened approach above and beyond our already high standards in keeping our facilities and our participants safe and sanitary. This includes additional time and frequencies disinfecting all surfaces, additional handwashing breaks for youth (and staff) in our programs and additional hand sanitizer stations placed around our community center. We are also doing what we can to move activities outdoors where the risk of transmitting illnesses is believed to be much lower.

In regards to our firefighters who put themselves at risk each and every day with the service that they would humbly tell you is "simply doing our job" -- they too are obviously taking heightened precaution in their emergency response interactions as well as keeping the fire station clean and sanitary.

As always, we appreciate your understanding and support.

Sincerely,

Eric Dreikosen
District Manager
