## 2020 Pool Season Update

Unfortunately, due to the current shelter-in-place directive and ongoing COVID-19 health situation, we will not be able to open the pool this Monday (3/30), our originally scheduled opening day. The pool will remain closed until the health experts and authorities advise it is safe to open.

The Marinwood Recreation Department is currently basing all decisions on the most current recommendations of Marin County Health & Human Services and the Public Health Officer. We are closely monitoring the advice and recommendations of these experts and will continue to adjust our approach as the situation and recommendations continue to evolve.

At this time, we have not made any final determinations about the pool season. Once we have a better idea how the current COVID-19 situation will ultimately affect the length and nature of the season, we will at that time address how we will be approaching possible refunds, season extensions, etc.

If you have any questions about the pool season, the current closure, or your membership, please contact Stephanie Moret at [smoret@marinwood.org](mailto:smoret@marinwood.org). Otherwise, we will continue to post updates on our website regarding COVID-19 impacts to Marinwood CSD programs and services. The specific web page can be found here: <http://marinwood.org/about-us/covid-19-updates>

We hope you continue to stay safe and healthy and we hope to see you out on the pool deck soon.

Sincerely,

Luke Fretwell  
Recreation Director  
Marinwood CSD
