Dear Friends, Families & Neighbors,

In response to the rapidly developing COVID-19 (Coronavirus) situation and in following the recommendations of Marin County Health & Human Services and the Public Health Officer, Marinwood CSD will be suspending all classes and programs for the next two weeks, beginning at close of business Friday, March 13, 2020. At this time, we are tentatively planning to reinstate programming on Monday, March 30, 2019.

We will continue to closely monitor the advice and recommendations of the experts. Firm decisions as to when we will reinstate our classes and programs will be based on updated information and the recommendations of the aforementioned experts as the situation continues to evolve.

We do not make this decision lightly and fully understanding the impacts that the mass closures we are all experiencing have on each of us.

As always, we appreciate your understanding and support.

Sincerely,

Eric Dreikosen
