Your Neighborhood Specialists - You know us, we know your neighborhood

Helping our clients from pre-sale to close of escrow - that’s how we define full service Real Estate. To us, it’s not just a transaction - we are dedicated to our clients, giving back to the community, and promoting efforts to conserve the environment.

There are plenty of uncertainties around us - your Realtor doesn't have to be one of them! As your Neighborhood Specialist for the past 34 years, we have our finger on the pulse of the local market. Wayka and Gina are here to deal with a "shelter at home" situation because we know how to adapt and live up to the challenge.

“Wayka, assisted by her daughter Gina, was the perfect agent for us to use in the sale of our townhome in Marinwood. She immediately assessed what we should do in order to sell it and coordinated all of the repairs needed, including staging it herself. Her knowledge of Marinwood was extensive and I know that is why we sold so quickly and at a very favorable price. Her customer service was outstanding through all aspects of the sale.” Candace W.

Greetings from the Marinwood Recreation Department!

Welcome to our Fall 2020 edition of the Marinwood Review! We're in strictly digital form this time around because in the age of COVID-19 “subject to change” is one of the few things we can confidently proclaim. (So we will be updating as needed!)

In the wake of the strangest summer in recent memory, a season overwhelmingly defined by the COVID-19 pandemic, we are relieved to have been able to stay up and running, albeit on a much smaller scale. But we are even more relieved to have made it through without any positive COVID tests, illnesses, or closures. In spite of numerous challenges and hurdles we were able to offer a reduced version of summer camp (though still the largest in the county), open the pool for lap swim, run a handful of tennis camps, and offer virtual versions of some of our recreation classes. I am extremely grateful to the Marinwood Recreation Staff (Robyn, Carolyn, and Stephanie) for all the research, planning, adapting, and troubleshooting that went into putting on this extremely unique Marinwood summer. I also want to acknowledge our amazing seasonal camp and pool staff for being so adaptable and positive in the face of numerous new requirements and expectations, and having to wear masks for many hours on end. Without this stellar crew we wouldn't have been able to pull it off.

It's probably worth committing to “paper” for posterity some of the more encapsulating scenes around the community center from this bizarre season. In no particular order:

- lines of parents and kids standing on evenly spaced spray painted dots awaiting temperature checks each morning at camp drop off, our camp directors doubling as daily virus screeners.
- our office aides cleaning piles of camp supplies at the end of each day. "I never knew this office job would entail so much hula hoop disinfecting," I overhear one of them joke.
- bike jumps, rope swings, and tree forts popping up throughout the open space. It seems the lack of organized activities has brought out the inner Tom Sawyer in the local kids.
- masked park goers spread 6 feet apart throughout the park, talking, walking, picnicking, playing with their dogs. Normal activities with a COVID-19 spin.
- "Help I’m stuck!" one of our camp counselors calls from the bathroom where the lock on the stall has seized up from corrosion. Apparently spraying the restrooms down with disinfectant 100+ times a day does a number on the hardware.

A bizarre summer indeed.

In the pages that follow you will find the classes and programs we are currently offering this fall. We hope you find something that works for you or your family. This catalog will be updated as circumstances and health guidelines change and we will do our best to keep you informed. We hope to see you at the community center soon.

Sincerely,
Luke Fretwell, Recreation Director

After School Program

Ages 5-11, K-6th

Marinwood is excited to be able to offer after school care this year, though on a smaller scale and with modified changes, as required by the current health guidelines. We will be strictly adhering to all of the most current recommendations and guidelines from Marin County Health & Human Services and the Public Health Officer. We are committed to offering a program that has all the fun and excitement of our traditional program, while taking the extra necessary precautions to maintain a safe and healthy environment for our participants and staff.

The mission of the Marinwood After School Care Program is to provide participants quality care in a safe, recreational environment that promotes creative group and individual activities. Core activities include homework help, outdoor games and activities in our beautiful park setting and creative arts and crafts inspired by weekly themes. Other enrichment opportunities such as cooking projects, special visitors or seasonal swimming on our pool may also take place.

Marinwood will be splitting participants into two separate After School groups, each will have a maximum of 15 participants—who will remain consistent throughout a monthly session—and will have the same core group of staff. Siblings will be placed in the same group. Each group will remain separate from the other and will maintain and use its own supplies and materials. Participants will spend time both indoors and outdoors throughout the day, although the majority of the time will be spent outside, weather permitting.

Participants and staff will engage in extra hand hygiene including hand washing and use of hand sanitizer throughout the day, including but not limited to before and after snacks, homework, activities and after bathroom use.

Capoeira

Ages 5-12

Capoeira (pronounced ka-poo-ey-da) is an Afro-Brazilian martial art from that incorporates acrobatics, dance, percussion, and songs in a rhythmic dialogue of body, mind, and spirit. It is a communal game in which two opponents play each other inside a circle, formed by the other players who create a rhythm for the game by clapping, singing, and playing traditional handmade instruments. Classes teach basic capoeira techniques and music including traditional instruments and songs in Portuguese. We use games and exercises that develop physical, social, and mental capacities. Younger students begin to learn acrobatic movements and improve balance and coordination of the arms and legs. Older students focus on skill building, leadership, strength, agility, flexibility, and endurance.

Janet’s classes are fun and upbeat with the opportunity for students to challenge themselves as they develop strength, balance, and flexibility. Chris Costello - Zumba® Instructor

"I've been passionate about dance my entire life - Salsa, Samba, Afro-Brazilian, Capoeira, Hip-Hop, South African House...the list goes on. If you’ve never tried Zumba, now is the time to start. No previous experience is necessary. The only goal is to have a blast while getting a great workout. The more you come, the easier and more enjoyable it gets (as you familiarize with the choreography). Smiling and sweating are the ultimate goals. If you have any questions, please don’t hesitate to contact me at (415) 306-2683 or christine.o.co.costello@gmail.com.

Duncan MacSwain- Photography Instructor
