Market Snapshot: The Real Estate Market Doesn't Have to be so "Tough"

Gina Bartolacelli, Realtor®

Over this past year, the news has been filled with salacious headlines about our economy, high interest rates, buyer fatigue, and even the most beautiful listings can take longer to sell.

It can be easy to get caught up in the hype that we are in a downward spiral, but the truth is, our hyper-local market, Marinwood, Lucas Valley, Mont Marin, Terra Linda, even zoomed out to the greater Bay Area, is actually doing quite well based on year-over-year sales.

What we actually experience time again during economic uncertainty is **resiliency** and an ever **upward** (albeit at times wobbly) trend for single-family homes in our local market. There is still strong demand for well-priced homes—especially in peaceful neighborhoods with fabulous amenities, quaint rolling hills, amazing weather, great schools, and good, kind people... Yes I'm talking about you!

Accurate, information about what's going on in your neighborhood may not be allover the 6:00 News, but it can still be just as accessible! Housing will always be necessary and many buyers are motivated and ready to make moves for the right home. The glass is still half full.

Reach out anytime for a market analysis, or a friendly conversation.

Creating Community Through... CANDY

Everyone loves the Candy Bucket. Smallish in size and crudely constructed of unfinished, cheap-looking wood—likely an abandoned camp craft from a bygone summer—the Marinwood Candy Bucket looks strikingly ordinary perched atop the community center front counter. But this visually unimpressive desk accessory holds profound power. Few are able to resist its siren song and, like moths fluttering around a light, people in the community center can't help but congregate around this mythical bucket. Whether a UPS driver grabbing a KitKat as he drops off a delivery, a firefighter snagging a Hi-Chew to wind down after an EMS call, or the Tae Kwon Do instructor enjoying a Milky Way before class, the Candy Bucket seems to draw everyone in.

Sometimes the Candy Bucket's pull is so strong it draws people into the community center from outside, who have no other business there. Like the teenage camp counselor who runs in from the park on her break to snag some Jolly Ranchers. Or the lap swimmer who stops in after a workout to grab a well-earned Baby Ruth. Or the grandpa getting dragged in from the playground by his grandkids chanting, "Go see the candy, Papa! Go see the candy, Papa!" Yes, the Candy Bucket has a loyal following, and when these candy fans pay their visits conversations are struck up, laughs are exchanged, and camaraderie is felt.

Besides luring people in from far and wide, the Candy Bucket also has the power to raise everyone's morale. Angry customers waiting to "speak to the manager" have been known to find themselves halfway through a bag of Skittles by the time the manager comes out. It turns out it's rather difficult to stay angry while eating Skittles! The Candy Bucket has also proven to quickly cheer up many a sad kid coming in to have a scraped knee or bruised elbow bandaged up.

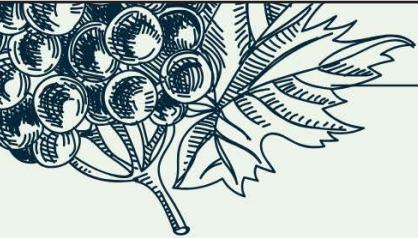

Perhaps the most impressive power the Candy Bucket holds is the power to quickly get people talking and laughing together. The presence of candy seems to quickly disarm people and "break the ice" between them. Adults, maybe embarrassed to be eating "junk food," tend to approach the Candy Bucket sheepishly, often uttering a perfunctory "I really shouldn't!" or "Someone get this candy away from me!" before partaking. These self-deprecating displays of weak willpower often elicit empathy and warm commiseration from onlookers. People seem to find each other's lighthearted struggles to resist candy amusing, relatable, endearing, and a great conversation starter. "Why do they torture us like this?" "Are you a chocolate fan or a fruity fan?" "Whatever happened to the tan M&M?"

Now don't get me wrong. I would never actually advocate EATING candy. What kind of Recreation Professional—one tasked with promoting health and wellness throughout the land—would I be if I endorsed this teeth-rotting, high-fructose corn syrup-filled, scourge of humanity? Of course not. But next time you're near the Marinwood Community Center, do stop in, say hi, and enjoy the camaraderie and conversation.

(And maybe enjoy just a piece or two from the Candy Bucket. I won't tell!)

Marinwood's camp staff is a close-knit crew of highly trained and enthusiastic counselors, directors, and supervisors, many of whom grew up attending our camps together as kids. All are certified in Professional Rescuer CPR/AED & First Aid and have been fingerprinted and undergone background checks. Our counselors take pride in passing on Marinwood's unique games, crafts, stories, and traditions to the next generation of campers and upholding the standard of excellence that has made Marinwood the premier day camp of Marin. Our staff looks forward to reconnecting with all the returning campers and meeting the new ones this summer!

How do I register my child for camp?

There are three ways to register:

- Online registration at www.marinwood.org. (Recommended—typically the fastest registration method)
- Register in person at the Community Center
- Mail, fax or email a registration form (complete with full payment).

What if the camp I want is full?

If a desired camp session is full, you will see an option to add your child to the waiting list (at no cost). We will contact you if a spot becomes available and you will have until 10:00am the next business day to claim your spot. If we don't hear from you in time, we will remove you from the waitlist and contact the next person.

To expedite the waitlist process, in early May we will purge the waitlist of all those no longer interested. We will email you at that time asking you to confirm your continued interest in remaining on the waitlist. Anyone who asks to be removed or fails to respond will be removed and everyone else will move up, respectively.

On June 3rd the waitlist will be discontinued altogether and any camp openings thereafter can be registered for online on a first come, first served basis. Anyone looking for camp spots after June 3rd will be able to browse the registration site for available camp sessions.

Can I drop in for a day of camp?

No, Marinwood will not be accepting drop-in registrations. Campers must be registered for the full session.

What is your refund policy? How do I make camp changes?

All refund and change requests must be made in writing and can be emailed to csd@marinwood.org. We will not process refunds or changes over the phone. Cancellations made more than 6 business days (10 full days) prior to the beginning of the camp session will result in a \$38 per session per camper fee. Cancellations made less than 6 business days prior to the beginning of the camp session will result in the forfeiture of half the camp session fee per camper. No refunds will be granted after 5:00pm the Friday before the camp session begins. All camp change requests must be made in writing and are subject to a \$10 handling fee. Marinwood does not prorate camp sessions. If only cancelling Before Care, After Care, or both, cancellation fee is \$5, \$8, or \$12/week respectively.

Session #	Session dates	Last day to cancel by 5pm (\$38)
1	6/15-6/19	6/5

Do you offer sibling or other discounts?

Yes, we offer discounts for siblings and pool members.

Sibling Discount: \$25 off per session for each additional child you enroll. The discount only applies if registering siblings for the same camp session.

Pool Member Discount: \$25 off per session. Must have pool membership prior to camp registration. Camper must have an individual pool membership or be listed on a family or couple membership for the 2026 season. Please see the pool membership page for how to join the pool.

Interested in sponsoring a fellow camp family?

Please consider donating to our scholarship fund to help send a child to camp. Donate online or at the Community Center.

Do you offer camp scholarships or financial aid?

A limited number of partial scholarships are available based on financial need. All requests are kept strictly confidential. An application can be downloaded from our website at www.marinwood.org. Only complete applications will be reviewed. Please email csd@marinwood.org for more information.

If my child is enrolled in a half-day specialty camp, can they join a day camp for the second half of the day?

Yes, this is an option for specialty camps located at Miller Creek Middle School that run from 9:00-12:00pm or 9:00-1:00pm and if the Marinwood day camp has space or you are already enrolled in a Marinwood camp. The camper may attend Marinwood's camp until 3:00pm for the week of the specialty camp for a prorated amount. Camp staff will escort the camper to Marinwood's camp at 12:00 or 1:00 respectively. Campers must be enrolled in both Marinwood's camp and the specialty camp first, then email csd@marinwood.org for the prorated refund. The half day Marinwood camp fee will be \$211 for residents and \$249 for non-residents for the session.

Where and when can I pick up my camper's t-shirts?

Camp shirts will be available for pickup starting in May at the Community Center during business hours (Monday-Friday, 9am-5pm). For safety, campers are required to wear a Marinwood camp t-shirt daily. Campers will receive 2 shirts per summer with the option of purchasing additional camp shirts for \$12. Pick up camp shirts at the Marinwood Community Center. **Marinwood highly recommends picking up camp shirts before the first day of camp.**

What should my camper bring with them every day?

Campers should come wearing appropriate camp attire. A Marinwood camp shirt and closed toe shoes are mandatory. Campers should bring a labeled backpack containing a snack, lunch, water bottle, swimsuit, towel, and sunscreen. Please try and limit camper's belongings to one backpack/bag. Younger campers should bring an extra set of clothes.

Are there any other requirements for campers to attend?

All campers must be potty trained. Parents/guardians will be required to fill out an online camper information and consent form from the ePACT network before attending. All participants (3rd grade and younger) must be accompanied by a parent/guardian at check-in each day at the community center. Campers are not allowed to attend if ill.

How does check-in and check-out work?

All participants (3rd grade and younger) must be accompanied by a parent/guardian at check-in each day. Campers are not allowed to attend if ill. For more information, please read the Camp Parent Packet.

Check-in:

Campers must be checked in with their Camp Director. Check-in will take place from 9:00-9:20am.

*Campers may be checked in after this time but it is a parent's responsibility to locate the camp to drop them off.

Check-out:

Campers must be checked out with camp staff before leaving. Check-out will take place from 2:50-3:05pm. If your camper is not picked up by 3:05pm, they will be sent to After Care and you will be charged a late drop-in After Care fee of \$25.

Do you offer Before and/or After Care?

Yes, Before Care runs from 8:00-9:00am and After Care from 3:00-5:00pm for additional fees. Please see our Before and After Care page for more information.

Can my child take swim lessons during the camp day?

Yes, you may enroll in group or private lessons during the camp day for an additional fee. Camp staff will escort campers to lessons that take place between 10:45am and 2:25pm and 3:30-4:00pm, if enrolled in After Care. **Parents are responsible for escorting campers to any swim lessons scheduled at 2:30pm or 3:00pm—no exceptions.** Please visit swim lesson page for additional information.

How does swimming work at camp?

Parents must give permission for their camper to swim in the Marinwood main and tot pools. Camps Pine Cone and Miwok swim only in the tot pool. Camps Willow, Buckeye, Bumblebee, and Acorn have the option of tot pool or main pool. All other camps exclusively use the main pool. Campers must pass a swim test (uninterrupted swim of 25 yards) to be able to swim in the deep end and go down the water slides. Campers may be asked to retake the swim test for camp, even if they have previously passed in another setting.

Can I order lunch for my child?

Yes. Marinwood CSD has partnered with BOONLI to provide online lunch ordering. All lunches are provided by our local Marinwood Market. You can choose how many days a week you want lunch provided. **Orders must be submitted by 10:00am the Friday before the session begins.** Online ordering will be available closer to summer through the Marinwood website. **No late orders will be accepted - no exceptions.** Please pack a morning snack, as lunch will not arrive until noon.

What if my child has a food allergy?

Our number one priority is the safety of your child. Camp staff take precautions and preventative measures to ensure the safety of all campers. We practice a no share snack and lunch policy, where we talk with our campers about keeping our food to ourselves, educate our staff about monitoring during snack and lunch time and campers will wash hands after meals.

Please indicate any allergies or medical conditions on your camper's ePACT online form so we can be aware of how to best support and provide for your child.

Don't forget about Hot Dog Fridays!

Take the hassle out of making lunch at the end of the week with Marinwood's \$6 Hot Dog Meal. Marinwood will be grilling up all natural, nitrate free hot dogs on the barbecue every Friday. Hot Dog Meals include a hot dog, organic juice, and all-natural chips. A vegetarian hot dog or gluten free bun option is also available. To purchase, please bring exact change and give to the Camp Director on Friday morning. Don't forget to send snack with your camper on Fridays. We will be offering Friday Hot Dog Days all summer.

For more information regarding Marinwood summer camps, please review the Camp Parent Packet on our website under the camp section.

We can't wait to introduce our youngest campers to all the wonder and excitement of Marinwood. We take great care to make sure each camper feels safe, welcomed, and included as our nurturing staff guide them through the ins and outs of camp and prepare them for the fun-filled days ahead. Staff-to-camper ratios are low for these camps (at least 1:6) and our counselors take extra care to ensure all campers remain hydrated, comfortable, and ready for everything in store for them. Each week will include playtime, games, art & music exploration, story time, water play, and endless opportunities to build friendships with fellow campers and counselors. Each week will feature a mix of fresh and recurring age-appropriate activities based around the weekly theme, culminating in an exciting special event each Friday. Whether playing with the parachute, splashing at the pool, along for the storybook walk, or reciting a favorite camp song, these young campers will be well on their way to developing friendships, memories, and a deep love for the camp life.

WATER POLO

Ages 12-14

The Marinwood Water Polo team is set and ready to go for Spring 2025! This team is intended for middle schoolers who would like to learn about this fast paced and fun water sport. The Marinwood Water Polo team is for those who have never played the sport and want to learn, or for players who have previously played and want to continue working on their skills. This is a super opportunity to learn how to play a great sport and/or improve and extend existing skills before entering high school.

Instruction will include basic specialized swimming skills for water polo, passing, shooting, offense, defense, rules of the game, concepts of team play, and more as time permits. Players will get a chance to scrimmage in order to get a sense of how the overall game is played. This is a great launch point for being a confident and capable freshman high school player.

Space is limited, please contact Coach Chris Case to register at christophermcase@gmail.com or (415) 250-5443.

This program is not affiliated with any Marin Swim League swim team, nor any high school. All middle schoolers are welcome as long as they are water safe.
