The Neighborhood Specialists You Can Depend on...Even During a Pandemic

Covid-19 has had many impacts on the Real Estate industry. In 2020 we adapted quickly and successfully closed numerous listings and sales, facing any challenges head on. There are still plenty of uncertainties, let us be your constant. Your biggest asset has and always will be our highest priority.

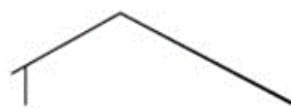

We work harder so you don't have to!

- Selling more homes in the Miller Creek School District than ANY single agent since 1986.
- Supporting our schools (and CanDo!) since the inception of the Children's Fund!
- Full spectrum of services offered from Pre-Sale to Close of Escrow.
- Dedicated to giving back to the community and promoting efforts to conserve the environment.

Ask us about the many programs we offer, including Compass Cash and Concierge, bridge loan services, custom staging, or how Proposition 19 may benefit you in 2021.

"Thank you, Wayka and Gina, for making the sale of mom's home as painless as possible. You made a stressful time easy and I recommend you both highly." - Joy O.,

“Just the Lifeguard”

By Luke Fretwell, Recreation Director

“So, where do you work when the pool closes?” I get asked this question at least a few times each season when I fill in at the pool for a sick lifeguard or help cover a shift that is difficult to staff. The question, often from a kindly lap swimmer, assumes I am one of Marinwood’s part-time lifeguards who will be out of work when the season ends. I used to find this question a little embarrassing and I would sheepishly explain my position and why I was stuck having to lifeguard. But I have since grown to welcome the question and to embrace my continued role as a sometime-member of the Marinwood lifeguard staff (not to mention the flattering—if far-fetched—possibility I am passing for “lifeguard age”).

It has now become a running joke in the office that whenever someone asks me to make a “director-level decision” or take a phone call from someone who wants “to speak to the manager,” I wink and say, “oh I’m just the lifeguard!”

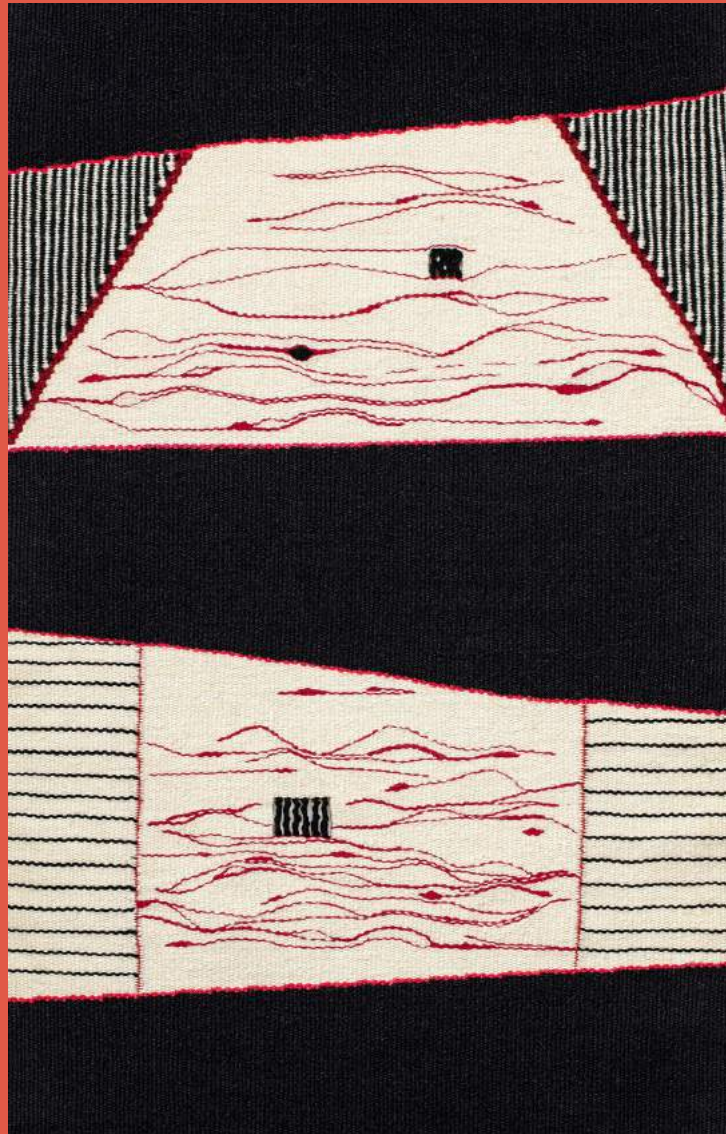

But I am only the latest in a long legacy of “just-the-lifeguards” occupying various full-time positions with Marinwood. Besides the Recreation staff all holding lifeguard certificates and filling in as needed (something Marinwood has always prioritized), over the years anyone from maintenance workers to administrative staff to even the District Manager himself have been seen taking shifts on the lifeguard stand when staffing was tough. This unorthodox, by-any-means-necessary approach to staffing the pool has not only allowed us to stay open when neighboring pools have had to close, it exemplifies two things I have come to greatly appreciate about Marinwood: no one wears just one hat, and no job or task is “below one’s paygrade.”

On a given day one of the recreation staff might be found substitute teaching in the preschool, pulling weeds around the community center, checking lap swimmers in at the pool, unclogging toilets in the bathroom, teaching a CPR class, constructing a piano cart, and any number of other diverse tasks. Similarly, on a given day one of Marinwood’s maintenance workers might be found mopping the community center, adjusting the pool chemistry, planting flowers, fixing an irrigation leak, removing abandoned shopping carts from the creek, aerating the lawn, etc. As a small district with a small staff, everyone must (and gets to) perform a multitude of tasks. And that’s part of what makes this place such an exciting and dynamic place to work.

Marinwood’s longtime Parks Maintenance Director Gary Harrelson loved to tell a story about a disagreement he once had with a resident who, before storming off, yelled, “What do you know, you’re just the gardener!” Gary found the epithet amusing and adopted it as a sort of badge of honor, even titling his long-running column in these pages *Just the Gardener*. While Gary no doubt would have preferred more staff to help get the job done, I know he enjoyed his opportunities to seem like “just the gardener”—working out in the field alongside his crew, visiting with residents as they walked their dogs through the park, and feeling at once connected to the community he worked for, to the staff he managed, and to the grounds he oversaw.

Like Gary before me, I am proud to be mistaken for “just the lifeguard.” It’s a reminder that I am part of the tradition of Marinwood’s “just-the-gardeners,” “just-the-lifeguards,” “just-the-camp-counselors,” etc. that have had the privilege of getting out of the office, filling in as needed, and staying intricately connected to staff, the patrons, and the grounds that make our programs possible.

"I think Chrissy has done a phenomenal job at transferring a Zumba class into a virtual realm. Her audio and tech is always on point. I really appreciate how she highlights everyone for a song - I haven't seen any other instructors do that either - it makes it feel like you are with a community which is definitely something I miss from being in live classes. I LOVE her music choices! I feel like they are very different from the typical 'Zumba' songs. Her positive energy and generous nature are inspiring!" -Sara K.

WELCOME TO SUMMER CAMP!

Marinwood's award winning traditional summer camps offer something for everyone! Campers will spend their days making friends with fellow campers and amazing counselors, swimming, and playing games. Each week is unique as activities are based on a weekly theme that includes spirit or dress up days. We've taken great care this summer to provide a happy, healthy, and safe atmosphere for our campers and staff and we can't wait to meet everyone. All our camps also feature low camper/staff ratios!

Marinwood's staff are highly-trained, energetic and motivated! Our goal is to provide your camper with the best summer experience possible in a fun and safe environment. Many of our staff members were once campers at Marinwood themselves! Every staff member is certified in CPR and First Aid for the Professional Rescuer by the American Red Cross and all staff members have been fingerprinted and undergone a background check.

COVID Responsibilities and Procedures

Camp parents/guardians are responsible for notifying Marinwood about illnesses, possible exposures and any positive COVID-19 test results as soon as possible during the camp season. While Marinwood will take all possible precautions to protect the health and safety of campers and staff, we expect everyone to follow the current health and safety guidelines.

Possible Scenarios:

- If your camper or someone in your household either exhibits COVID-19 symptoms or has a temperature of 100.4 degrees or above, the camper should not come to camp and your healthcare provider should be contacted for possible recommended testing. The cohort will remain open. If a test is recommended and the test results are negative, the camper may return to camp 24 hours after symptoms resolve.
- If a family member or someone in close contact with a camper or staff member tests positive for COVID-19 then immediately report the possible exposure to the Marinwood front office. The camper will need to quarantine for 10 days (even if the camper receives a negative COVID-19 test result), monitor for symptoms, and contact their healthcare provider. The cohort will be notified but remain open. Once Marinwood is notified of the test results, the cohort will once again be notified. Campers and staff should monitor themselves for symptoms.
- If a camper or staff member test positive for COVID-19, then immediately report this to the Marinwood front office. The cohort will remain closed for 10 days from last known exposure and everyone should quarantine to greatest extent possible. The campers and staff of the cohort should get tested for potential exposure.

Please note: if any camper is required to quarantine for any of the above reasons, all other household members who attend our summer camp program will need to quarantine as well.

CAMPS: AGES 3-KINDERGARTEN

PINE CONE • MIWOK • WILLOW • BUCKEYE • BUMBLEBEE

We can't wait to welcome your camper to Marinwood. Marinwood's staff strives to make the camp transition for 3-6 year olds as smooth as possible by creating an exciting and fun summer camp experience for our younger campers in a safe environment. With Staff-Camper ratios of at least 1:6, counselors take extra care to make sure that their campers are hydrated and ready for everything that summer has in store for them. Campers will have an exciting week filled with games and enrichment opportunities that range from musical guests to water play. Every week will have activities specifically designed for this age group, revolving around the week's theme culminating on a special event on Friday. Here at Marinwood, campers will make memories and friends with both campers and counselors. Whether the campers are playing with the parachute, splashing in the pool, going on story book walks or singing their favorite camp song, each camper will love what camp is all about.

CAMPS: AGES 1ST-3RD GRADE

ACORN • ARROWHEAD • FIREFLY • BOBCAT • RED FOX

With a little experience under their belts they are now ready to tackle new games, make new friends, and create general pandemonium around the park. These campers are all harnessing imagination through dress up days, spirit competitions, and epic special events. Obstacle courses, lanyards, and dodgeball are all part of everyday camp life. Whether they are playing tag games on the field, learning silly camp songs, playing hide and seek in the forest, or speeding down the giant slip n' slide, each camper will come home with a new exciting story each day.

CAMPS: AGES 4TH-7TH GRADE

SEQUOIA • MARINWOOD • WILDFLOWER • COYOTE

Our oldest campers know the best games to play with their fellow campers. A typical day might include high energy rounds of gagaball, hiking the panhandle trail to eat lunch at the Fireman's picnic area, and ending with an epic water balloon fights or going down the water slides at the pool. From costume dress up competitions with the counselors to running around the park solving scavenger hunts, we'll keep these campers busy. The best part of these camps are the friendships made with other campers and camp staff. The oldest camps have an action packed summer with new games and activities you don't want to miss.

Marinwood Swim Academy Private Lessons FAQ

Will group lessons take place this summer?

Unfortunately, no. We are only able to offer private and semi-private lessons this summer.

Can my child take a swim lesson while they are at camp or after care?

Campers can be enrolled in a private swim lesson; however, we will not be able to provide staff to transport swimmers from Camp or After Care to their swim lesson. A parent/guardian must be present to walk campers to and from their lessons.

Will my swimmer need to wear a face covering or face shield in the water?

No. The current health guidelines caution that wearing face coverings/shields while swimming presents safety risks. However, we ask that all swimmers wear a cloth face covering any time while not in the pool.

How many children can participate in a semi-private swim lesson?

We allow a maximum of two children from the same household in semi-private lessons. Children should have a similar ability level.

Can I sign up my swimmer and their best friend to do a semi-private swim lesson together if they are in the same social bubble?

Unfortunately, children in semi-private lessons must be from the same household.

Can I request a specific instructor for my swimmer?

Yes. While we cannot guarantee any requests, we do our best to accommodate requests when we can. If you wish to request an instructor, please include your request in the "customer notes" when you register online.

What does my child need to bring to swim lessons?

Your child should come to swim lessons in a swimsuit (and swim shirt if desired) and bring a towel. Goggles are recommended but not required. Please tie back long hair.

Are you offering a pool membership this season?

No. Due to the uncertainties surrounding COVID-19 and the evolving health guidelines, we are not offering a pool membership option this season.

I need to enroll my swimmer in lessons, but I am facing financial hardship. Is there anything that I can do?

We understand that swim lessons are essential. If you are facing financial hardship, please apply for the Danaz Salak Swim Lesson Scholarship which can be found on our website www.marinwood.org.
