The Community Center: A Unique Slice of Local Life

Greetings, and welcome to the spring/summer issue of the Marinwood Review, where you will find everything you need to know about Marinwood's classes, events, camps, and pool programs taking place this spring and summer. In the pages that follow we hope you will find some activities that strike your fancy or meet your needs, and that we will see you at the community center soon.

Of course, you don't need to be enrolled in an activity to visit the community center. Though our building stays fairly bustling throughout the week with preschoolers, rec class participants, after-schoolers, and District staff, we are also an active hub for a myriad of other non-program frequenters, each on their own unique missions through life. This eclectic and ever-evolving cast of bathroom users, information seekers, phone chargers, conversation hunters, and other various visitors helps keep the community center lively and exciting year-round. For instance...

TG, a delivery driver who occasionally asks to heat his lunch in our microwave, is a former college linebacker who's quick with a joke and football reference that goes over our heads. "Come on! Didn't ANY of you see the game last night???"

Robin, who comes in a few times a week to say hello and grab candy from our bucket, has a New Year's resolution to cut back on the sweets and she's doing great. "These aren't all for me—I'm grabbing candy for my friends, too!"

Johnny, who rides his uniquely decorated bike all over San Rafael, visits us a few times a month to show off his impressive collection of obscure vintage hand-held video games he keeps in his backpack. "If you ever see one of these, buy it and I'll pay you back!"

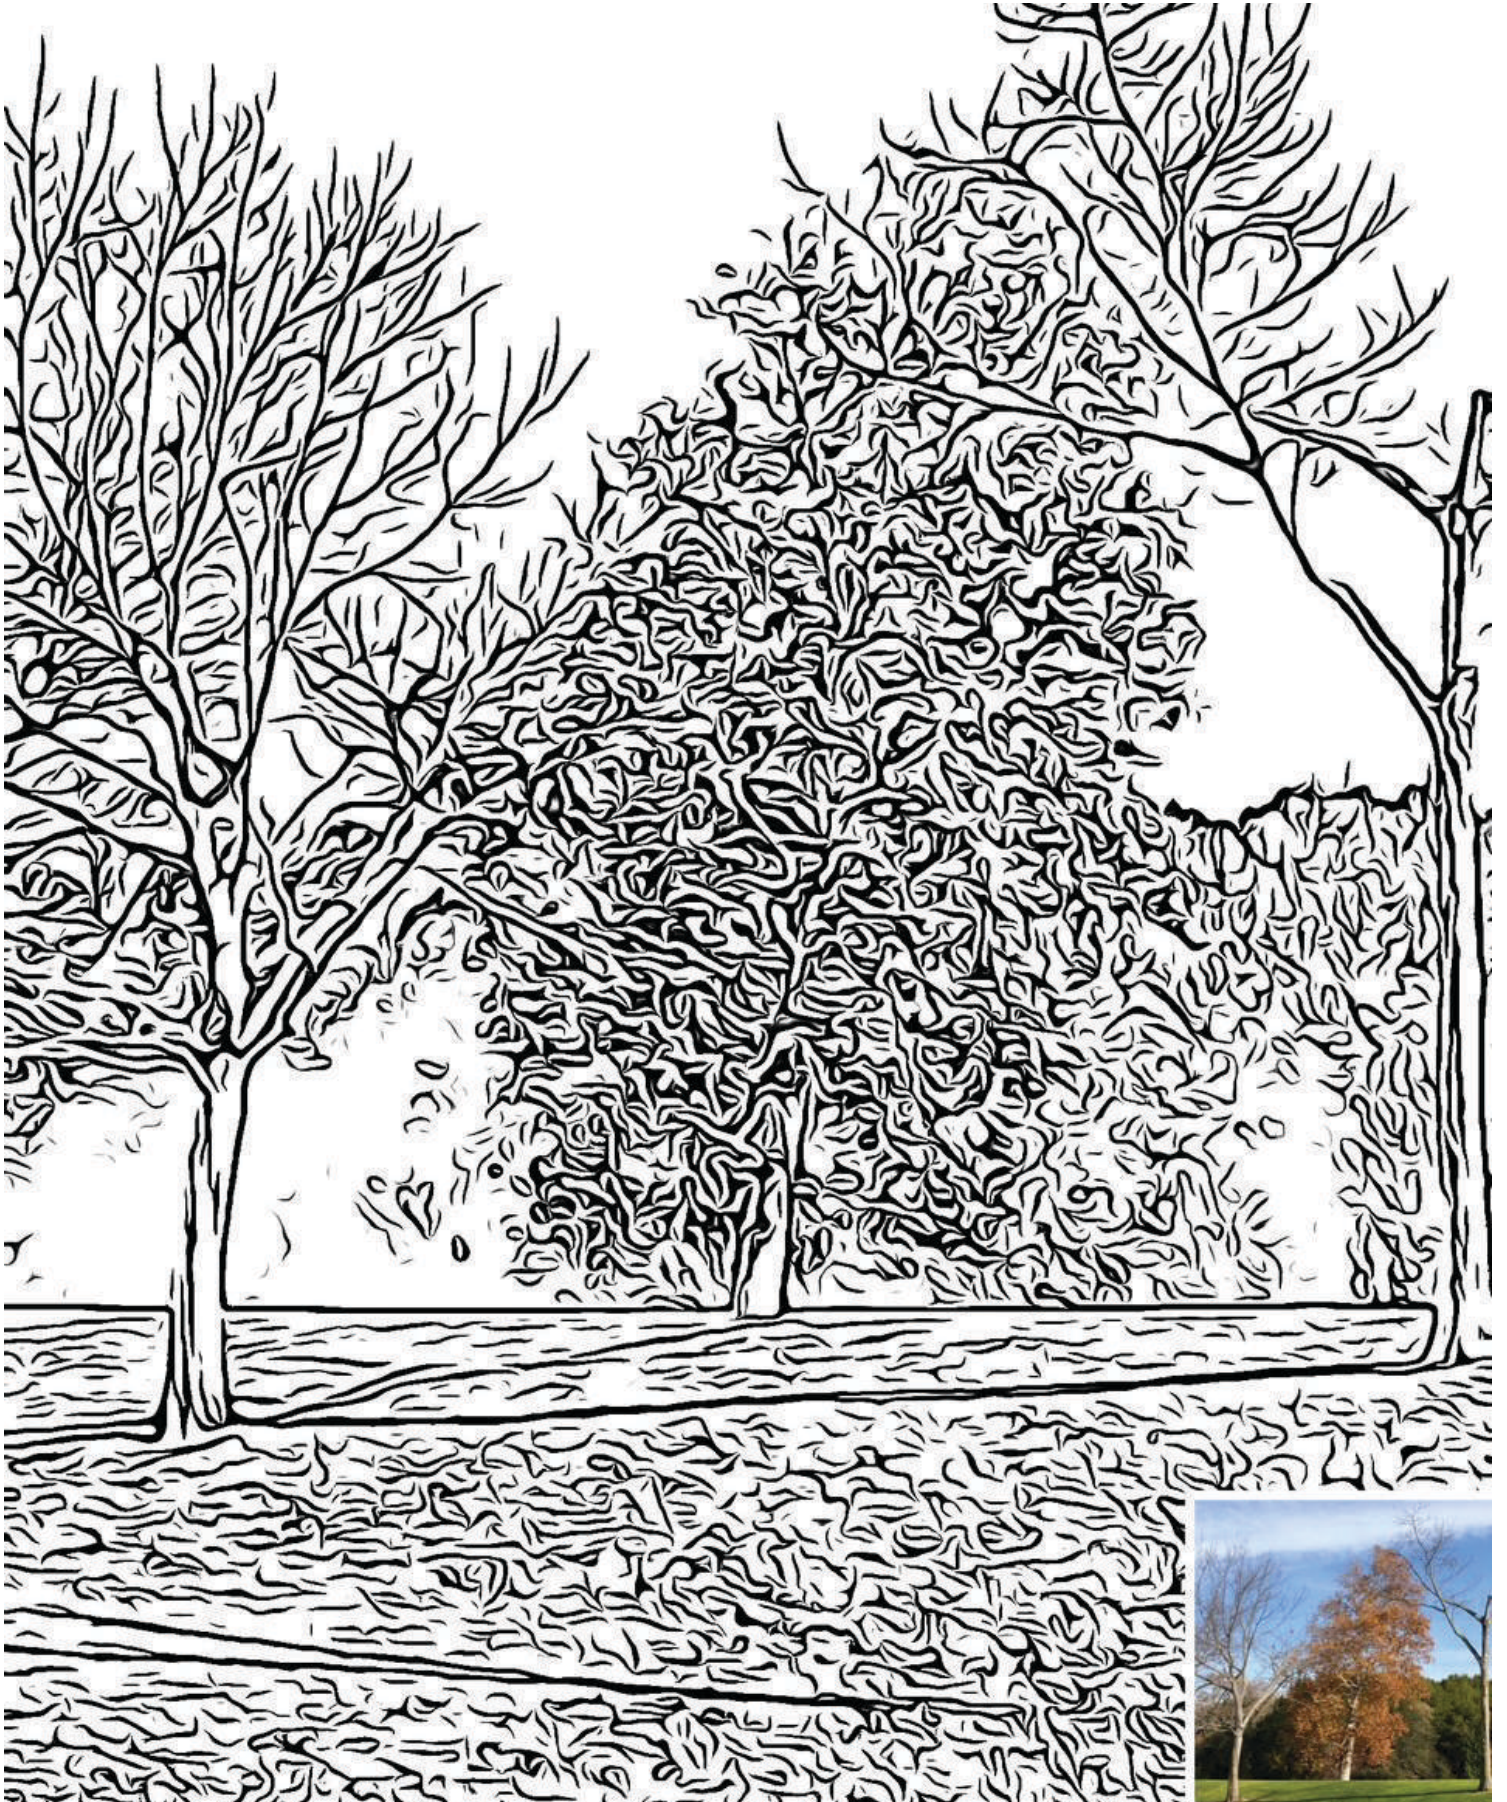

Devon, our local pest controller, comes in after inspecting the property to update us on his latest stock investments and artistic endeavors. Born in Trinidad, Devon is a talented steelpan calypso musician and often has a new composition to share.

Joanna, a cyclist from Richmond who comes in to use the restroom before her weekly group ride, is active in grassroots politics and likes to update me on her latest strategy for "holding the refinery accountable."

There's also Lindy the dogwalker coming in to fill up her water bowls and show off her pups, the elderly Mrs. Lewinson always on the hunt for her elusive cellphone, and teenage Efrain stopping by to demo his latest homemade Super Soaker-style water blaster.

I'm grateful for all these unique individuals and the countless others who have made our community center a regular stop on their respective journeys through life. To get to share in their stories and lives is one of the more enjoyable aspects of working in a community center. And the next time you find yourself in the neighborhood be sure to stop by and say hi. If not for the outlets, the restrooms, or the Wi-Fi, come for the conversation. Someone's always here.

~ Luke Fretwell, Recreation Director

- “Feeding Marin Families”- An effort to raise over \$20,000 in donations for the SF-Marin Food Bank by the Lions clubs of Marin. Las Gallinas Lions will match up to \$3,000 in member donations. Donate through the Las Gallinas Lions Facebook page!
- Community Informational Flyer-We assembled, printed, and delivered over 5,000 flyers to the local community detailing available resources during the COVID crisis.
- Speaker Series- We host monthly informational presentations by community and nonprofit leaders. Past speakers have included Marin Search & Rescue, Marin County Supervisor (Lion) Damon Connolly, Miller Creek MS and Laurel Del Elementary teachers reporting on adaptive teaching under the pandemic and CEO of Play Marin, a non-profit based in Marin City.

"I think Chrissy has done a phenomenal job at transferring a Zumba class into a virtual realm. Her audio and tech is always on point. I really appreciate how she highlights everyone for a song - I haven't seen any other instructors do that either - it makes it feel like you are with a community which is definitely something I miss from being in live classes. I LOVE her music choices! I feel like they are very different from the typical 'Zumba' songs. Her positive energy and generous nature are inspiring!" -Sara K.

Do campers need to wear masks or be vaccinated? Are the staff vaccinated?

Marinwood does not require campers or staff to be vaccinated, although it is strongly encouraged. Mask and other health requirements will be determined closer to summer and will follow the most up to date state and local guidelines. Please check our website for the most current information before your camp session.

Camp shirts will be available for pickup starting in May at the Community Center during business hours. For safety, campers are required to wear a Marinwood camp t-shirt daily. Parents must give permission for their camper to swim in the Marinwood main and tot pools. Camps Pine Cone and Miwok swim only in the tot pool. Camps Willow, Buckeye, Bumblebee, and Acorn have the option of tot pool or main pool. All other camps exclusively use the main pool. Campers must pass a swim test (uninterrupted swim of 25 yards) to be able to swim in the deep end and go down the water slides. Campers may be asked to retake the swim test for camp, even if they have previously passed in another setting.

Can I order lunch for my child?

Yes. Marinwood CSD has partnered with BOONLI to provide online lunch ordering. All lunches are provided by our local Marinwood Market. Lunch options include a hot entrée or market sandwich, 2 organic sides and a drink. You can choose how many days a week you want lunch provided. Orders must be submitted by 10:00am the Friday before the session begins. Order online through the Marinwood website. No late orders will be accepted. Please pack a morning snack, as lunch will not arrive until noon.

What if my child has a food allergy?

Our number one priority is the safety of your child. Camp staff take precautions and preventative measures to ensure the safety of all campers. We practice a no share snack and lunch policy, where we talk with our campers about keeping our food to ourselves, educate our staff about monitoring during snack and lunch time and campers will wash hands after meals.

Please indicate any allergies or medical conditions on your camper's ePACT online form so we can be aware of how to best support and provide for your child.

Don't forget about Hot Dog Fridays!

Take the hassle out of making lunch at the end of the week with Marinwood's \$5 Hot Dog Meal. Marinwood will be grilling up all natural, nitrate free hot dogs on the barbecue every Friday. Hot Dog Meals include a hot dog, organic juice, and all natural chips. A vegetarian hot dog or gluten free bun option is also available. To purchase, please bring exact change and give to the Camp Director on Friday morning. Don't forget to send snack with your camper on Fridays. We will be offering Friday Hot Dog Days all summer.

CAMPS: AGES 3 - ENTERING KINDERGARTEN

PINE CONE • MIWOK • WILLOW • BUCKEYEE

We can't wait to introduce our youngest campers to all the wonder and excitement of Marinwood. We take great care to make sure each camper feels safe, welcomed, and included as our nurturing staff guide them through the ins and outs of camp and prepare them for the fun-filled days ahead. Staff-to-camper ratios are low for these camps (at least 1:6) and our counselors take extra care to ensure all campers remain hydrated, comfortable, and ready for everything in store for them. Each week will include playtime, games, art & music exploration, story time, water play, and endless opportunities to build friendships with fellow campers and counselors. Each week will feature a mix of fresh and recurring age-appropriate activities based around the weekly theme, culminating in an exciting special event each Friday. Whether playing with the parachute, splashing at the pool, along for the storybook walk, or reciting a favorite camp song, these young campers will be well on their way to developing friendships, memories, and a deep love for the camp life.

CAMPS: ENTERING 1ST - 3RD GRADE

ACORN • BUMBLEBEE • ARROWHEAD • HUCKLEBERRY • RED FOX

Whether they are playing tag games on the field, learning silly camp songs, playing hide and seek in the forest, or finally passing the swim test to go down the water slides, each camper will come home with a new, exciting story each day.

CAMPS: ENTERING 4th-7th GRADE

SEQUOIA • MIGHTY OAK • WILDFLOWER • MARINWOOD

Our oldest campers know the best games to play with their fellow campers. A typical day might include high energy rounds of gagaball, hiking the panhandle trail to explore different parts of Marinwood, epic water balloon fights or going down the waterslides at the pool. From costume dress-up competitions with the counselors to running around the park solving scavenger hunts, we'll keep these campers busy. The best part of these camps are the friendships made with other campers and camp staff. The oldest camps have an action-packed summer with new games and activities you don't want to miss!

Weekly Camp Themes

Session 1 (June 13-17) Time Traveler Tales

We're starting off summer with a time traveling adventure through the ages. Bust a move from all the grooviest decades at the Marinwood sock hop. Travel back to the caveman days to hunt for dinosaurs and woolly mammoths. Whether jousting in a medieval tournament or celebrating flower power fashion with tie-dye, this week will be so fun it will go down in history!

Session 2 (June 20-24) Games, Quests, Challenges, Tests!

All week long we will conquer wacky obstacle courses, embark on elaborate scavenger hunts, solve perplexing mysteries, and compete in fanciful games to build up our camp spirit and show off our strengths. Even the counselors will join in the fun competing for their camps' honor and glory. The week's events will culminate in a giant battle of tug-o-war, followed by a spirited celebration. This week is sure to strengthen friendships and build camp spirit.

Session 3 (June 27- July 1) Tropical Island Adventure

This week we find ourselves washed ashore on a fantastical desert island. Campers will spend the week soaking in the island life, hunting for buried treasure, swimming with mermaids, and escaping from pirates. Hula hoop races, limbo contests, cannonball exhibitions in the pool, and much more will punctuate this week of fantasy and adventure.

Session 4 (July 5-8) Party in the U.S.A.

It's the Fourth of July all week long as we don our reds, whites, and blues, and throw the ultimate week-long camp family BBQ. Whether playing bean bag toss, competing in potato sack races, or getting soaked in water balloon baseball, every day will be filled with traditional outdoor fun and games, with a special celebration on Friday with bounce houses, snow cones, and hot dogs galore.

Session 5 (July 11-15) Safari Adventure

Campers aren't the only wild things at camp! This week is all about exploring the great outdoors and discovering all the amazing wildlife surrounding us every day. Campers will have a chance to spot crawdads while hiking along the creek, marvel at the magnificent oak trees while traipsing through the foothills, shoo away the crows at lunchtime, and search for the elusive Sasquatch who will be leaving clues around the park all the week. Whether birdwatching, flower identifying, or bug unearthing, this week is all about discovering that Marinwood is really where the wild things are.

Session 6 (July 18-22) Carnival Crazyiness

The infamous Camp Carnival is back and better than ever! Throughout the week campers will transform into carnival performers—learning how to juggle, how to beat the house at ring toss, and how to get the biggest laugh with a joke—and show off their new skills at the big event on Thursday. This week will be full of games, prizes, challenges, plenty of clowning around, and non-stop entertainment.

Session 7 (July 25-29) Drama-Rama

Join us on the center stage as we don our costumes and props and head into Drama-Rama Week! Campers will get to show off their talents, celebrate each other's abilities, and watch their counselors dance & sing (or get loads of laughs trying!). Whether belting it out with friends in the karaoke contest, showcasing a masterpiece in the art project exhibition, or performing a scene from Macbeth, campers will get to celebrate each other's skills and talents throughout the week.

Session 8 (August 1-5) Myths and Legends

Does a troll live under the bridge? Do sea nymphs really play in the creek when no one's looking? This week is all about imagination as we create and act out legends and tall tales that will transform Marinwood into a magical mythical land of adventure. Epic games like the Camp Temple Run will have campers working together to solve riddles, unearth mysteries, and hopefully escape victorious with the Marinwood Chalice. Through make-believe and creativity, campers will help make this week absolutely legendary.

Session 9 (August 8-12) Beyond Board Games

As we head into our final week of camp, we celebrate a fantastic summer by playing all the best games we learned along the way. We'll revisit our favorite field games, participate in larger-than-life-size board games, be contestants in epic game shows like Camp Jeopardy, Minute-to-Win-It, and Are You Smarter Than a Camp Counselor?, and work together to complete epic team challenges. Campers will get to compete alongside (and sometimes against!) their counselors to prove their camp knowledge, solidify their friendships, and end the summer on a truly playful note.

We can't wait to introduce our youngest campers to all the wonder and excitement of Marinwood. We take great care to make sure each camper feels safe, welcomed, and included as our nurturing staff guide them through the ins and outs of camp and prepare them for the fun-filled days ahead. Staff-to-camper ratios are low for these camps (at least 1:6) and our counselors take extra care to ensure all campers remain hydrated, comfortable, and ready for everything in store for them. Each week will include playtime, games, art & music exploration, story time, water play, and endless opportunities to build friendships with fellow campers and counselors. Each week will feature a mix of fresh and recurring age-appropriate activities based around the weekly theme, culminating in an exciting special event each Friday. Whether playing with the parachute, splashing at the pool, along for the storybook walk, or reciting a favorite camp song, these young campers will be well on their way to developing friendships, memories, and a deep love for the camp life.

The GIT Program is the perfect introduction to what it takes to be a Marinwood Lifeguard!

So you want to be a Lifeguard? The GIT program is a great way to get your foot in the door and embark on a fulfilling future at Marinwood. In this program, participants have a unique opportunity to become a junior staff member and have access to their own exclusive pool-side GIT "Shack." Participants gain hands-on experience by helping teach in the Marinwood Swim Academy during morning lessons-donuts follow! Does your child love the water? Are you looking for an exciting and fun way to build confidence in your child? Do you want to be a part of a fantastic neighborhood organization? **Join the Marinwood Waterdevils Swim Team!**

We are looking for girl and boy swimmers ages 6 -18 to join our team! Swimmers of all levels are welcome, including children with minimal swim experience. Our Tadpole program introduces young beginners to swimming with expert instruction.

The Marinwood Waterdevils is a local team made up of over 200 swimmers from Marinwood and surrounding communities. As part of the countywide Marin Swim League (MSL), we offer a four-month competitive swimming experience with individualized coaching.

The Waterdevils have a rich history in the community, and we are proud of the commitment, enthusiasm and sportsmanship modeled daily by our Head Coaches, Chris Case and Kent Morales. Former MSL swimmers themselves, now with decades of coaching experience between them, Chris and Kent work hard to set a positive example and are dedicated to molding our Waterdevils swimmers into confident and competitive athletes. Our team strives to provide the children in and around Marinwood a healthy, neighborhood-oriented activity that not only teaches swim skills, but also fosters lifelong relationships among swimmers and supports life skills of goal setting, perseverance, and teamwork.

The 2022 Marinwood Waterdevils season kicks off Feb 28th, 2022. All swim team practices are held at the Marinwood Pool beginning March and continuing through June. Competitive dual meets begin the last weekend of April and are held on Saturday mornings. Registration for the team takes place on January 24th for returning families, and January 31st for new families. Please be sure to visit our website, www.waterdevils.org for more information.

We look forward to seeing you on the pool deck, Go Waterdevils!

WHO YOU WORK WITH MATTERS

RR

"In the best of circumstances it is not easy simultaneously selling and purchasing a home. It is particularly difficult when you have 3 kids, the oldest being only three years old! We cannot thank Liz enough for the extra work she put in on our behalf. Her willingness to act as a delivery person, a moving person, a baby holder and playmate to a toddler when necessary exemplifies the extra miles she took to help us out and speaks volumes about her character and professionalism. And, because of her hard work, we sold our house for top dollar and we bought the house we wanted."

"If you are looking for a realtor who will advocate for your needs first, treat you with dignity and kindness and present you with multiple options to sell your home, Liz McCarthy with the McCarthy+Moe Group at Compass is the best! I heard about Liz through a friend who was selling her home in our neighborhood, a home which was stunning after she coached them through fixing it up then staging the home. Ultimately it sold for top dollar--and we had the same experience when we used Liz to sell our Terra Linda home. Really appreciate Liz's honesty, integrity and skills. You will not be disappointed!"

RR

"Liz was highly recommended by a friend. Liz listed & sold our relative's condo within a week. At our first meeting, Liz told us how she expected things to go and we were skeptical it would go according to plan, but that is exactly what happened. And we got WELL over our asking price. Her team runs like a well oiled machine and made the escrow remarkably easy for us. Of the 10-12 escrows I have experienced, this was by far the smoothest. I highly recommend Liz & her team."

COMPASS

With prices at historic highs, your home has likely increased substantially in value.

If you've been thinking of making a move in 2022, NOW is the time. Whether you're looking to down-size, up-size or you simply want to know the estimated market value of your home, call for a free home market evaluation.

Liz McCarthy has first-hand knowledge of our community because she lives here, plays here, and works here.
