SPRING / SUMMER 2024

Get to know the “2nd Generation Marinwood Specialist”

- Marinwood Native (former Waterdevil, summer camper, and Miller Creek School District & Terra Linda High School Alumna), I am intimately aware of all that makes 94903 the ‘best kept secret’ in Marin!
- Organic farming, food and plant enthusiast, yogi, artist, picnic lover, world traveler, and mom to a 1-year old.
- A positive personal advocate for my clients. Described as calm, easy-going and detail-oriented.
- Learned from the best! Former business partner to well-known top agent and mom, Wayka Bartolacelli—the original Marinwood Specialist. Together we closed hundreds of transactions for happy buyers and sellers in Marin County.
- Passionate about the process. From educating my clients about the buying or selling process, staging, home prep, disclosure and contractual elements, inspections, the escrow process, and everything in between. I work hard to earn (and maintain) my clients’ trust, building lifelong relationships with them. Your best investment is my ultimate goal.
- Your partner in Real Estate.

Free Defensible Space Direct Assistance

Need help preparing your property for the 2024 wildfire season?

Why?

- Highly combustible plants like Juniper and Italian Cypress can't be maintained in a way that makes them fire resistant.
- Oils within the plants and the buildup of dead material behind their deceptively green foliage is dangerous year-round.
- Removing highly combustible vegetation within 30 feet of a structure and 10 feet of roadways will help improve defensible space and create safer evacuation routes. Visit firesafemarin.org for plant replacement ideas.

How?

The City works with the FIRE Foundry crew and wildfire mitigation contractors to remove fire hazardous plants like Juniper and Italian Cypress at no cost to Marinwood and San Rafael property owners.

Please fill out the waiver form to participate. Send completed waiver form to srfd.grants@cityofsanrafael.org or 1375 Fifth Ave, San Rafael, CA 94901.

Completing a waiver form does not guarantee that you will receive assistance.

Chipping of the removed material should usually take place within 1-3 days of the work being done. ***This free service does not include stump or root removal.***

MARINWOOD REVIEW EMPLOYEE SPOTLIGHT

Featuring Guy Doers and John Paul Stizmann, Park-Time Park Attendants for the Marinwood Community Services District.

What are some things you enjoy about working at Marinwood?

Guy: "I like keeping the place clean and creating a nice environment for the kids. Oh, and don't forget free access to the pool! The lifeguards know us and know that we are good swimmers. They know that we can swim in the deep end." *Guy and JP regularly go swimming together at the Marinwood Pool after work, sometimes for multiple hours.* "I also enjoy seeing all the crows make a ruckus in the park. And making money, of course! But I don't do it just for the money."

JP: "I like keeping the environment and the earth clean and making it nice for families and kids to come here. I also enjoy getting to swim at the pool after work."

What do you like to do in your free time?

Guy: "I enjoy going on long walks, playing games on my computer, and swimming. I really like swimming at different beaches, rivers, and lakes around the Bay Area. Recently while I was standing in the waves at Stinson an 8-foot wave crashed over me!" *Guy also enjoys going on weekend trips to see his friend Evy on her farm in Petaluma. Before the pandemic Guy, a self-described "public transportation master," frequently went on long solo trips around the bay area on public transportation, sometimes making it as far as Sacramento and back, often having to navigate multiple connections and modes of transportation.*

JP: "I like listening to music and reading books and going on trips to visit my family." *JP, who has collected hundreds of CDs, says his favorite genres of music are oldies and reggae and his favorite artist is the Hawaiian musician IZ, whose music JP knows all the words to, even the Hawaiian language songs, which he has been known to perform at karaoke.* "For books, I mostly like to read travel books. John [a friend and PDS staff member who accompanies Guy and JP at their job on Thursdays] gets me lots of books from the library."

What are some of your favorite activities you do with PDS?

Guy: "I really like Open Days, where the group decides on an activity for the day. We have gone bowling, swimming at the Richmond Plunge, and taken ferry and train rides."

JP: "I really liked going to the Hiller Aviation Museum. They have games, a flight simulator, and you can watch airplanes taking off and landing on the runway."

What are you looking forward to in 2024?

Guy: "I'm looking forward to having another fun summer and swimming all over God's earth."

JP: "That's a really good question. I'm looking forward to visiting my family in Arizona and getting to meet my sister's new baby in Modesto—she's due in February."

Anything you want to add?

Guy: "I'm really proud of how long I have had this job." *Guy started working for Marinwood in 2010. "14 years? That's a long time!"*

Guy and John Paul are both longtime members of People with Disabilities Succeeding (PDS), a nonprofit agency in Marin County dedicated to assisting people with developmental disabilities to become more accepted, contributing members of their community. When PDS founder Lisa Markey approached us in 2010 about employment opportunities for Guy (and later John Paul), we already knew them well, as PDS had been bringing groups to the Marinwood Pool and Park for several years. Both Guy and John Paul have been wonderful additions to the Marinwood staff and the community in general. We are grateful for both the opportunity to work with these amazing men as well as for our enduring partnership with such an amazing organization. Find out more about PDS at pdsmarin.org.

This final year of preschool prepares children for kindergarten with an enthusiastic and joyful outlook on learning.

MARINWOOD REVIEW COMMUNITY SPOTLIGHT

Featuring Les Mize, longtime Marinwood resident and founding member of the Las Gallinas Lions Club.

Following a recent Lions Club meeting it was overheard that one of the Lions members holds a 58-year perfect attendance record at Lions Club meetings. We decided to catch up with this dedicated Lion to find out more about his history and involvement with the Lions. We are pleased to introduce longtime Marinwood resident, Las Gallinas Lions Club founder, and dear friend of the recreation department, Les Mize.

Les, how did you get your start in community service?

When I was a student at Tamalpais High School, the city of Mill Valley was looking into building a community youth center. To help raise funds for the center, among other fundraising efforts, I started Friday night teen dances at the Mill Valley Golf Clubhouse and formed the Mill Valley Youth Council.

And when did you become a Lion?

Around that time, I began volunteering with the Mill Valley Lions Club on weekends as they undertook the remodeling of the Ranch Wagon Restaurant which had been closed down. The restaurant, which the Lions later gifted to the city of Mill Valley for \$1.00, was relocated and turned into a multifunctional building with the volunteer help of local architects who worked with the Mill Valley Planning Department. Through this project I got to know many Lions members and eventually asked to join the club. As I was only 18, the club had to call Lions International in Chicago to check the age requirements. Having no age restrictions, I was allowed to apply and joined on March 1, 1965.

Over the next 15 years as a Mill Valley Lion I got married (1969), moved to Marinwood (1970), and started a family (1972), which now includes 6 children and 8 grandchildren, all the while attending Lions meetings every Tuesday night. In 1980 I spearheaded the effort to start our local chapter, the Las Gallinas Lions Club, where I have served ever since.

What are some highlights from your years as a Lion?

Some of my proudest moments during my time as a Lion include being elected district governor of our Northwest California District (55 clubs) from 2017-2018, starting the Las Gallinas club in 1980, and achieving perfect attendance during my 58 years (and counting) as a Lion.

What is on the horizon for the Las Gallinas Lions Club?

The Las Gallinas Lions Club continues to be involved with many projects and activities throughout the Marinwood community such as our annual Easter Egg Hunt, Halloween parades and costume contests, vision programs, working as needed with the Parks and Recreation with their various activities, community weed whacking cleanup, beautification projects such as bulb planting, and more as we continue "keeping Marinwood the best community around."

WATERCOLOR WORKSHOP

Ages Adults 15+

In this one-day workshop, you will spend the morning learning all about the fundamentals of painting with watercolor. Transparent watercolor is different from all other media and as such has some quite different aspects about how it is used. We'll cover the materials used with watercolor, the ways that we apply watercolor to (its very particular) paper, color theory and color mixing, what a classic palette of colors is. We'll discuss the importance of drawing (and drawing directly with the brush) as well as values and design/composition. We'll stop for a half hour lunch break (bring your lunch), during which we'll discuss the incredible history of watercolor painting in California. In the afternoon, we'll work together step by step to make a watercolor painting.

Each student should come to class with one sheet of Arches 140lb. Cold Press watercolor paper (approx. \$10). Paints, palettes and brushes will be available.

Students will leave this workshop with a good grounding in how to work with this wonderful medium and a painting of their own!

Marinwood's camp staff is a close-knit crew of highly trained and enthusiastic counselors, directors, and supervisors, many of whom grew up attending our camps together as kids. All are certified in Professional Rescuer CPR/AED & First Aid and have been fingerprinted and undergone background checks. Our counselors take pride in passing on Marinwood's unique games, crafts, stories, and traditions to the next generation of campers and upholding the standard of excellence that has made Marinwood the premier day camp of Marin. Our staff looks forward to reconnecting with all the returning campers and meeting the new ones this summer!

How do I register my child for camp?

There are three ways to register:

- Online registration at www.marinwood.org. (Recommended—typically the fastest registration method)
- Register in person at the Community Center
- Mail, fax or email a registration form (complete with full payment).

What if the camp I want is full?

If a desired camp session is full, you will see an option to add your child to the waiting list (at no cost). We will contact you if a spot becomes available and you will have until 10:00am the next business day to claim your spot. If we don't hear from you in time, we will remove you from the waitlist and contact the next person.

To expedite the waitlist process, in early May we will purge the waitlist of all those no longer interested. We will email you at that time asking you to confirm your continued interest in remaining on the waitlist. Anyone who asks to be removed or fails to respond will be removed and everyone else will move up, respectively.

On June 5th the waitlist will be discontinued altogether and any camp openings thereafter can be registered for online on a first come, first served basis. Anyone looking for camp spots after June 5th will be able to browse the registration site for available camp sessions.

Can I drop in for a day of camp?

No, Marinwood will not be accepting drop-in registrations. Campers must be registered for the full session.

What is your refund policy? How do I make camp changes?

All refund and change requests must be made in writing and can be emailed to csd@marinwood.org. We will not process refunds or changes over the phone. Cancellations made more than 6 business days (10 full days) prior to the beginning of the camp session will result in a \$35 per session per camper fee. Cancellations made less than 6 business days prior to the beginning of the camp session will result in the forfeiture of half the camp session fee per camper. No refunds will be granted after 5:00pm the Friday before the camp session begins. All camp change requests must be made in writing and are subject to a \$10 handling fee. Marinwood does not prorate camp sessions.

Sibling Discount: \$20 off per session for each additional child you enroll. The discount only applies if registering siblings for the same camp session.

Pool Member Discount: \$20 off per session. Must have pool membership prior to camp registration. Camper must have an individual pool membership or be listed on a family or couple membership for the 2024 season. Please see the pool membership page for how to join the pool.

Interested in sponsoring a fellow camp family?

Please consider donating to our scholarship fund to help send a child to camp. Donate online or at the Community Center.

Do you offer camp scholarships or financial aid?

A limited number of partial scholarships are available based on financial need. All requests are kept strictly confidential. An application can be downloaded from our website at www.marinwood.org. Only complete applications will be reviewed. Please email csd@marinwood.org for more information.

If my child is enrolled in a half-day specialty camp, can they join a day camp for the second half of the day?

Yes, this is an option for specialty camps located at Miller Creek Middle School that run from 9:00-12:00pm and if the Marinwood day camp has space or you are already enrolled in a Marinwood camp. The camper may attend Marinwood's camp from 12:00-3:00pm for the week of the specialty camp for a prorated amount. Camp staff will escort the camper to Marinwood's camp at noon. Campers must be enrolled in both Marinwood's camp and the specialty camp first, then email csd@marinwood.org for the prorated refund. The half day Marinwood camp fee will be \$196 for residents and \$222 for non-residents for the session.

Where and when can I pick up my camper's t-shirts?

Camp shirts will be available for pickup starting in May at the Community Center during business hours (Monday-Friday, 9am-5pm). For safety, campers are required to wear a Marinwood camp t-shirt daily. Campers will receive 2 shirts per summer with the option of purchasing additional camp shirts for \$10. Pick up camp shirts at the Marinwood Community Center. ***Marinwood highly recommends picking up camp shirts before the first day of camp.***

What should my camper bring with them every day?

Campers should come wearing appropriate camp attire. A Marinwood camp shirt and closed toe shoes are mandatory. Campers should bring a labeled backpack containing a snack, lunch, water bottle, swimsuit, towel, and sunscreen. Please try and limit camper's belongings to one backpack/bag. Younger campers should bring an extra set of clothes.

Are there any other requirements for campers to attend?

All campers must be potty trained. Parents/guardians will be required to fill out an online camper information and consent form from the ePACT network before attending. All participants (3rd grade and younger) must be accompanied by a parent/guardian at check-in each day at the community center. Campers are not allowed to attend if ill.

How does check-in and check-out work?

All participants (3rd grade and younger) must be accompanied by a parent/guardian at check-in each day at the community center. Campers are not allowed to attend if ill. For more information, please read the Camp Parent Packet.

Check-in:

Campers must be checked in with their Camp Director. Check-in will take place from 9:00-9:20am.

*Campers may be checked in after this time but it is a parent's responsibility to locate the camp to drop them off.

Check-out:

Campers must be checked out with camp staff before leaving. Check-out will take place from 2:50-3:05pm. If your camper is not picked up by 3:05pm, they will be sent to After Care and you will be charged a late drop-in After Care fee of \$25.

Do you offer Before and/or After Care?

Yes, Before Care runs from 8:00-9:00am and After Care from 3:00-5:00pm for additional fees. Please see our Before and After Care page for more information.

Can my child take swim lessons during the camp day?

Yes, you may enroll in group or private lessons during the camp day for an additional fee. Camp staff will escort campers to lessons that take place between 10:45am and 2:25pm. **Parents are responsible for escorting campers to any swim lessons scheduled at 2:30pm or 3:00pm — no exceptions.** Please visit swim lesson page for additional information.

How does swimming work at camp?

Parents must give permission for their camper to swim in the Marinwood main and tot pools. Camps Pine Cone and Miwok swim only in the tot pool. Camps Willow, Buckeye, Bumblebee, and Acorn have the option of tot pool or main pool. All other camps exclusively use the main pool. Campers must pass a swim test (uninterrupted swim of 25 yards) to be able to swim in the deep end and go down the water slides. Campers may be asked to retake the swim test for camp, even if they have previously passed in another setting.

Can I order lunch for my child?

Yes. Marinwood CSD has partnered with BOONLI to provide online lunch ordering. All lunches are provided by our local Marinwood Market. You can choose how many days a week you want lunch provided.

Orders must be submitted by 10:00am the Friday before the session begins. Online ordering will be available closer to summer through the Marinwood website. No late orders will be accepted. Please pack a morning snack, as lunch will not arrive until noon.

What if my child has a food allergy?

Our number one priority is the safety of your child. Camp staff take precautions and preventative measures to ensure the safety of all campers. We practice a no share snack and lunch policy, where we talk with our campers about keeping our food to ourselves, educate our staff about monitoring during snack and lunch time and campers will wash hands after meals.

Please indicate any allergies or medical conditions on your camper's ePACT online form so we can be aware of how to best support and provide for your child.

Don't forget about Hot Dog Fridays!

Take the hassle out of making lunch at the end of the week with Marinwood's \$6 Hot Dog Meal. Marinwood will be grilling up all natural, nitrate free hot dogs on the barbecue every Friday. Hot Dog Meals include a hot dog, organic juice, and all-natural chips. A vegetarian hot dog or gluten free bun option is also available. To purchase, please bring exact change and give to the Camp Director on Friday morning. Don't forget to send snack with your camper on Fridays. We will be offering Friday Hot Dog Days all summer (except July 5).

For more information regarding Marinwood summer camps, please review the Camp Parent Packet on our website under the camp section.

WEEKLY CAMP THEMES

Session 1 (June 17-June 21) Summer Blast Off

T-Minus 5 Seconds until Summer Liftoff! Rockets, planets, asteroids, and UFOs are in orbit this week as campers explore the final frontier through spaceship building, solar system art projects, interplanetary capture-the-flag, extraterrestrial dance parties, sci-fi dress-up days, and more. This week will be high on adventure, low on gravity, so be sure to pack your moon boots.*

*Moonboots optional.

Session 2 (June 24-June 28) Marinwood Olympics

The race is on! Foot races, potato sack races, mini-boat swimming pool races, and more! This week is all about friendly competition, team spirit, and packing as many crazy camp games into the week as we can. Sports, track & field, goofy relays, creative art exhibitions, and exciting team challenges will allow campers of all interests and abilities to showcase their skills, cheer on their friends, and relish the thrill of being part of a team.

Session 3 (July 1-July 3) Wet Hot American BBQ

The grill is hot, the water balloons are filled, and everyone's in their finest reds, whites, and blues. It's America's 248th birthday and we are celebrating with the world's biggest backyard barbecue. With noisy parades through the park, spirited games and relays, patriotic arts & crafts, bounce houses and waterslides galore we will pay homage to the land of the free and home of the brave.

Session 4 (July 8-July 12) The Great Gold Rush

There's Gold in these hills! Let's travel back to 1848 and saddle up for thrilling adventures, camping out in the forest, and mastering line dancing. Immerse yourself in the spirit of the wild west with dress up, a good old fashioned cookout, and see if you're lucky enough to strike it rich panning for gold! We'll see you at the Root Beer Saloon!

Session 5 (July 15-July 19) MarinWOODstock

This week the Marinwood Park is transforming into a 5-day festival of peace, art, music, and costumes! Campers and counselors alike will get a chance to show off their artistic talents, paint collaborative murals, act in comedy sketches, sing karaoke, and vote on the Camp Staff Battle of the Bands. Borrow your grandparents' hippie headbands, put some flowers in your hair, and unleash your creative spirit.

Session 6 (July 22-July 26) Nature Unleashed

At Marinwood wild things are everywhere (and we're not just talking about the campers!) This week is all about exploring the wild outdoors: hiking on scenic trails, bug-catching in the creek, squirrel-watching in the woods, dodging gophers in the lawn, and more! Older camps will hike through the open space and younger camps will have the chance to find and identify animal tracks! Campers of all ages will come away with a greater appreciation for all the nature lurking right here in our backyard.

Session 7 (July 29-August 2) Get a Clue, Gumshoe!

We are putting our best Private Investigators on the case to crack Marinwood's biggest unsolved mysteries! Who stole the cookie from the cookie jar? Who framed Wally Wombat? What camp is the loudest? Who ate all the office candy? Campers will become crime scene investigators this week as they analyze fingerprints, conduct scavenger hunts, draft up theories, and perform plenty of other top-secret sleuthing.

Session 8 (August 5-August 9) Earth, Wind & Fire

Volcanoes are erupting, tectonic plates are shifting, glaciers are inching, and Marinwood Camps are along for the ride. This week is all about the wonders of Earth Science as campers play Tectonic Tug-O-War, take part in the Water Cycle Relay, race homemade "glacier" cubes in the Iceblock Derby, and attempt to harness the awful power of the Marinwood Winds. Campers will never see the Elements the same after this incredible week of science, adventure, and 70's funk music.

Session 9 (August 12-August 16) Art Invasion

Unleash your inner-artist and dive into a world of shapes, colors, textures, and imagination. Collaborate with fellow campers on camp murals, compete in recreation challenges, and get your hands dirty with hands-on projects! End the week off with a camp-wide color run where you will become the art yourself.

CAMPS: AGES 3 - KINDERGARTEN

PINE CONE • MIWOK • WILLOW • BUCKEYE

We can't wait to introduce our youngest campers to all the wonder and excitement of Marinwood. We take great care to make sure each camper feels safe, welcomed, and included as our nurturing staff guide them through the ins and outs of camp and prepare them for the fun-filled days ahead. Staff-to-camper ratios are low for these camps (at least 1:6) and our counselors take extra care to ensure all campers remain hydrated, comfortable, and ready for everything in store for them. Each week will include playtime, games, art & music exploration, story time, water play, and endless opportunities to build friendships with fellow campers and counselors. Each week will feature a mix of fresh and recurring age-appropriate activities based around the weekly theme, culminating in an exciting special event each Friday. Whether playing with the parachute, splashing at the pool, along for the storybook walk, or reciting a favorite camp song, these young campers will be well on their way to developing friendships, memories, and a deep love for the camp life.

WATER POLO

Ages 12-14

This team is intended for middle school girls and boys who would like to learn about this fast paced and fun water sport. The Marinwood Water Polo program is for those who have never played the sport and want to learn, or for players who have previously played and want to continue working on their skills. This is a super opportunity to learn how to play a great sport and/or improve and extend existing skills before entering high school.

Instruction will include basic specialized swimming skills for water polo, passing, shooting, offense, defense, rules of the game, concepts of team play, and more as time permits. Players will get a chance to scrimmage in order to get a sense of how the overall game is played. This is a great launch point for being a confident and capable freshman high school player.

Space is limited, please contact Coach Chris Case to register at christophermcase@gmail.com or (415) 250-5443.

This program is not affiliated with any Marin Swim League swim team, nor any high school. All middle schoolers are welcome as long as they are water safe.
